The Harris Family:

The Harris Family RM Johnson, 2002-02-08 The unforgettable crew of characters from RM Johnson's bestselling debut novel *The Harris Men* returns in a riveting story of love, loss, and second chances. Julius Harris walked out on his family twenty-five years ago, and not a moment goes by when he doesn't regret it. Five years ago, after learning he had cancer, Julius tried to make peace with his three sons. It didn't take. Now the disease has gone into remission. Overjoyed, Julius is grateful for this miracle and the time it affords him to make up for his past mistakes. It won't be easy. In Chicago, life isn't exactly simple for his three grown sons. The oldest, Austin, a successful attorney, struggles to be a good father to his children despite his ex-wife's attempts to turn them against him. Marcus, the middle son, wrestles with a fear of commitment that drives away the woman he loves. And young Caleb, just released from prison, fights to rebuild his life and win back his wife and child. The three Harris brothers have a hard enough time being there for each other, let alone a father they haven't seen in years. Nor are they sure they even want him in their lives. Filled with intrigue, romance, and shocking twists, *The Harris Family* is a deliciously gripping novel of contemporary Black relationships and ultimately a moving testament to the power of family love and forgiveness.

This modest little volume owes its existence to what was at first a small collection of matter for the information of the writer's immediate family. Friends desired and asked for its publication. Then other matter was obtained, hence the present form and arrangement of the book. It is not given to the public as a complete record of all the descendants of the Harris Family, but the author's aim and desire were to make it complete, and to this end neither time, labor, nor expense were spared in the collection of material. It may be doubtless will be disappointing to some, but when it is

remembered that the families are scattered abroad over this South land from Virginia to Texas that some have been lost sight of entirely that in some instances valuable records have been lost or destroyed while in a few instances little or no taste or interest is felt by the present generation in such matters it is a source of gratification that so much reliable information has been gathered and arranged in a simple intelligible and permanent form About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
