A Happy Heart and One Slice Of Bread Arthur V. Dieli, 2017-12-05. Sicilian proverbs are a pathway into the reality of Sicilian culture over the centuries. They are the voices of its people that ring true from generation to generation. The proverbs are an important subtext of their conversation. Every segment of society is represented by the truth of the proverbs. The majority of the Sicilian proverbs in this collection were recorded by Dr Giuseppe Pitrè 1841-1916 in four volumes of his twenty-five volume library of Sicilian folklore as he traveled the island tending to the sick in all walks of life. Tending the sick was Dr Pitrè's occupation. Sicilian folklore was Pitrè's literary life. In his literary life, he also edited *The Archivio delle Tradizioni Popolari* with his close friend and associate Salomone Marino. This English translation
