The Heroic Trio:

Dongfan san xia, 1998 Director in Action Stephen Teo, 2007-06-01 Director in Action examines the career of Johnnie To whose art house action hits include *A Hero Never Dies*, *The Longest Nite*, *Running out of Time*, *The Mission*, *PTU*, *Breaking News*, *Election* and *Election 2*. The author discusses the symbiotic relationship between director and genre why To is regarded as an auteur and the influence he has on the trajectory of the action genre in the Hong Kong cinema. The author's view is that To's idiosyncratic auteurist style transforms the generic conventions under which he is compelled to work and that there is a discernible element of experimentalism in his most outstanding films. In addition To modulates the film noir form to suit his local contexts characters and locations to create a highly personalized noir cinema in post 1997 Hong Kong.

Super Bitches and Action Babes Rikke Schubart, 2014-08-23 With actress Pam Grier's breakthrough in *Coffy* and *Foxy Brown* women entered action science fiction war westerns and martial arts films genres that had previously been considered the domain of male protagonists. This ground breaking cinema however was and still is viewed with ambivalence. While women were cast in new and exciting roles they did not always arrive with their femininity intact often functioning both as a sexualized spectacle and as a new female hero rather than female character. This volume contains an in depth critical analysis and study of the female hero in popular film from 1970 to 2006. It examines five female archetypes: the dominatrix, the Amazon, the daughter, the mother, and the rape avenger. The entrance of the female hero into films written by produced by and made for men is viewed through the lens of feminism and post feminism arguments. Analyzed works include films with actors Michelle Yeoh and Meiko Kaji, the *Alien* films, the *Lara Croft* franchise, *Charlie's Angels* and television productions such as *Xena Warrior Princess* and *Alias*.

China, Transnational Visuality, Global Postmodernity Hsiao-peng Lu, Sheldon H. Lu, 2001 By focusing on Chinese cultural formations and critical discourses of the last decade of the century the author dissects the intellectual economic and political contradictions of a turbulent era. This wide ranging deeply interdisciplinary work demarcates the cultural terrain by examining diverse media film television avant garde art and literature as well as critical theory and intellectual history.

Giant Robot Eric Nakamura, 2024-10-22 Celebrating the pop culture phenomenon that redefined what it meant to be Asian American with tributes from Margaret Cho, Randall Park, Jia Tolentino and more. Los Angeles 1994 Two Asian American punk rockers staple together the zine of their dreams featuring Sumo. Hong Kong Cinema and Osamu Tezuka. From the very margins of the DIY press and alternative culture *Giant Robot* burst into the mainstream with over 60 000 copies in circulation annually at its peak. *Giant Robot* even popped right off the page setting up a restaurant gallery and storefronts in LA as well as galleries and stores in New York and San Francisco. As their influence grew in the 90s and 00s *Giant Robot* was eventually invited to the White House by Barack Obama to speak at Harvard University's Graduate School of Design and to curate the GR Biennale at the Japanese American National Museum. Home to a host of unapologetically authentic perspectives bridging the bicultural gap between Asian and Asian American pop culture GR had
