The High Calling:

The High Calling of God Jim Wainscott, 2018-07-18 The High Calling of God is a practical how to resource written to assist devoted followers of Christ in their pursuit of God's ultimate prize to be recognized as overcomers before the Judgment Seat of Christ. Specific topics include the often overlooked dangers created by the subtle influence of liberal values upon the Church, a review of God's revealed plan for His redeemed saints both here on earth and in the coming Kingdom, the eternal significance of being recognized as an overcomer before the Judgment Seat of Christ, the extreme importance of extending grace to others and the surprising impact of this practice on one's own spiritual growth and future rewards before the Judgment Seat, a Bible based self assessment exercise that will assist believers in identifying their current levels of spiritual progress, the emergence of an eleventh hour army of overcomers, the size of which will be unparalleled in Church history and how to effectively cooperate with the Holy Spirit as He progressively transforms His overcoming recruits into men and women who will one day reflect the glorious image of Christ. The High Calling Walter Gibbs Jr, 2023-03-21 This collection of poetic selections was inspired by my heavenly Father above. Within the contents of this book you will find poems that are faith building, exhortation to praise, inspirational and of encouragement. Over the years I have endured many things and in going through I truly learned what faith is. I now want to share with the whole world what God has expounded to me and I hope that all the readers receive a blessing therefrom. *Pursue toward the Goal for the Prize of the High Calling* Witness Lee, 2024-08-06 In this booklet taken from Life study of Philippians, Witness Lee focuses on two words found in Philippians 3:14, goal and prize. The apostle Paul speaks of the goal and the prize, but what is the goal and what is the prize? Many would answer that both the goal and the prize are Christ. Although such an answer may be regarded as correct, there is something very particular concerning these words that we can see in Philippians 3:10-14. **THE HIGH CALLING OF THE SONS OF GOD** Paul M. Hanssen, 2025-01-08 The kingdom of God consists of high and low places, many rooms and various dimensions. With the help and guidance of the Spirit of God, this book explains the high calling and the journey that guides the hungry heart toward the high place of God's eternal purpose. But what is God's high calling and to whom is it given? Discover the answer to that question and others such as: Who are the called and the chosen? What is the difference between the calling and the election of God? Is there a difference between the sons of God by birth and the sons of God by adoption? What is the fruit produced by the bride of Christ? As you read *The High Calling of the Sons of God* with an open heart and mind, a shift will occur within your being that will transcend your life from one dimension of spiritual experience to another. Be prepared to discover aspects of truth you may have never seen or heard before. Allow your soul to

absorb the mysteries of God's kingdom and the eternal high calling of the sons of God

The High Calling Charles Sheldon, 2016-08-03 The story The High Calling was written at two different periods in 1909 and 1910 and was read at two different periods chapter by chapter to the young people in my church on successive Sunday evenings The main purpose of the story is to illustrate the value of the average family training and the final victory of the spiritual ideals over material or physical attractions The final outcome of the struggle which Helen Douglas makes between her natural inclination to follow a life of ease and luxury and the real training which she has received at home is the picture of what is going on in the best homes to day As my own young people gave the story a beautiful reception in their listening to it it is my earnest hope that if the book has the good fortune to find a larger audience it may reach more young people with the same message

This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth, though it should fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour, Jesus Christ, and who have perhaps for years been giving earnest heed to the more sure Word of prophecy; we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us. Many books have already appeared before the public, presenting in clear and Scriptural language the various aspects of the subject of our Lord's Return, and we hesitated long before we decided to add one more to the number. The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England, and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing. **The High Calling** by Charles Monroe Sheldon, 2017-10-14

Charles Monroe Sheldon (February 26, 1857 – February 24, 1946) was an American minister in the Congregational churches and leader of the Social Gospel movement. His novel *In His Steps* introduced the principle of "What Would Jesus Do" which articulated an approach to Christian theology that became popular at the turn of the 20th Century and had a revival almost one hundred years later. The stretch of US 24 on the north side of Topeka, Kansas, between US 75 and K 4 is named the Charles Sheldon Memorial Highway in his honor. Sheldon was a graduate of Phillips Academy, Andover, Class of 1879. He became an advocate of the late nineteenth-century school of thought known as Christian Socialism. His theological outlook focused on the practicalities of the moral life, with much less emphasis on the doctrinal traditions of personal redemption from sin in Christ. In the winter of 1896, Sheldon developed a sermon story that he read as a weekly series from the pulpit of Central Congregational Church in Topeka, Kansas. The unifying theme of these sermons was based on posing the question: what would Jesus do when facing moral decisions? He viewed this question as traditional within Christianity and likely drew some inspiration from William T. Stead's *If Christ Came to Chicago* (1893) and other earlier sources. The theme of the sermons was later fictionalized into the novel *In His Steps*. The central ethos of the novel was not about personal redemption but about moral choices related to encountering circumstances of poverty and deprivation. Sheldon's theological motif reflected his socialist outlook. Sheldon's

own parish work became identified with the Social Gospel
