**The Magazine of Magic** ,1916      Source of Magic Piers Anthony,2002-03-26 A quest for the source of power threatened to doom the land of Xanth As a ruler of a country steeped in enchantment King Trent was naturally curious about the source of its magic It made sense to order Bink the only one of his subjects immune to supernatural harm to undertake a quest to discover the wellspring of Xanth s uniqueness From the beginning Bink and his companions Chester the centaur and Crombie the soldier transformed into a griffin were harried by an unseen enemy determined to thwart them Even the power of Good Magician Humfrey together with Bink s protective talent scarcely saved their lives Then when Humfrey and Crombie turned against him all seemed lost But Bink s ingenuity and luck prevailed and he reached his goal The King s orders had been carried out But the King had not expected Bink s next act to destroy utterly the magic of Xanth      **The Book of Black**
