The Magic Touch Rachel Simon, 2015-08-04 This wild magic realist ride of a novel originally published in 1994 is funny sexy satirical linguistically exuberant and utterly unique Written as a fictional biography it tells the life story of a woman with magical sexual powers that she uses to heal people The story follows our heroine from her miraculous birth through her childhood in a magical orphanage to adulthood when she uncovers sinister conspiracies among political and well hidden foes Woven into *The Magic Touch* is that of her grandmother whose mysterious background propels the story forward in ways that begin as Faustian and end up as spiritual The story culminates in a spectacular and hilarious showdown between the forces of good and evil This ebook re release of *The Magic Touch* includes a new introduction that should be a must read for fans of this book and aspiring writers everywhere It reveals how Rachel stumbled on the idea for the heart of the story the long journey she took in producing the book and the kind words given by a respected professor that inspired her at her lowest moment to pick herself up and keep going *The Magic Touch* was Rachel Simon's second book and first novel It was a 1994 selection of the Barnes Noble Discover Great New Writers program which highlights books of exceptional literary quality from authors at the starts of their careers

dance and sexual gender expressions Queer Nightlife extends the breadth of research on everynight life through twenty five essays and interviews by leading scholars and artists The book s four sections move temporally from preparing for the night how do DJs source their sounds what does it take to travel there who promotes nightlife what do people wear to the socialities of nightclubs how are social dance practices introduced and taught how is the price for sex negotiated what styles do people adopt to feel and present as desirable to the staging and spectacle of the night how do drag artists confound and celebrate gender how are spaces designed to create the sensation of spectacularity whose bodies become a spectacle already and finally how the night continues beyond the club and after sunrise what kinds of intimacies and gestures remain how do we go back to the club after Orlando

This article will explore the advantages of The Magic Touch books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Magic Touch books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. Another popular platform for The Magic Touch books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. Additionally, many universities and educational institutions have their own digital libraries that provide free
