The Making Of Modern China:

The Making of Modern China Owen Lattimore, Eleanor Holgate Lattimore, 1944 "The" Making of Modern China Owen Lattimore, Eleanor Lattimore, 1947 **The Making of Modern China** Jing Liu, 2017 An excellent introduction to the large trends of early Chinese history ideal for those new to the subject School Library Journal **The Making of Modern China** Owen Lattimore, Eleanor H. Lattimore, 1981-09-01 The Making of Modern China Owen Lattimore, 1945 The Making of Modern China Mohan Devapriya David, 1993 **The Making of the Modern Chinese State** Huaiyin Li, 2019-08-13 The Making of the Modern Chinese State 1600 1950 offers an historical analysis of the formation of the modern Chinese state from the seventeenth century to the mid twentieth centuries providing refreshing and provocative interpretations on almost every major issue regarding the rise of modern China This book explores the question of why today s China is unlike any other nation state in size and structure It inquires into the reasons behind the striking continuity in China s territorial and ethnic compositions over the past centuries and explicates the genesis and tenacity of the Chinese state as a highly centralized and unified regime that has been able to survive into the twenty first century Its analysis centres on three key variables namely geopolitical strategy fiscal constitution and identity building and it demonstrates how they worked together to shape the outcome of state transformation in modern China Enhanced by a selection of informative tables and illustrations The Making of the Modern Chinese State 1600 1950 is ideal for undergraduates and graduates studying East Asian history Chinese history empires in Asia and state formation Producing China Marijn Nieuwenhuis, 2013 A Force So Swift Kevin Peraino, 2017-09-19 New York Times Book Review Editors Choice Winner of the 2018 Truman Book Award A gripping narrative of the Truman Administration s response to the fall of Nationalist China and the triumph of Mao Zedong s Communist forces in 1949 an extraordinary political revolution that continues to shape East Asian politics to this day In the opening months of 1949 U S President Harry S Truman found himself faced with a looming diplomatic catastrophe perhaps the greatest that this country has ever suffered as the journalist Walter Lippmann put it Throughout the spring and summer Mao Zedong s Communist armies fanned out across mainland China annihilating the rival troops of America s one time ally Chiang Kai shek and taking control of Beijing Shanghai and other major cities As Truman and his aides including his shrewd ruthless secretary of state Dean Acheson scrambled to formulate a response they were forced to contend not only with Mao but also with unrelenting political enemies at home Over the course of this tumultuous year Mao would fashion a new revolutionary government in Beijing laying the foundation for the creation of modern China while Chiang Kai shek would flee to the island sanctuary of Taiwan These events transformed American foreign policy leading ultimately to decades of friction with Communist China a long standing U S commitment to Taiwan and the subsequent wars in Korea and Vietnam Drawing on Chinese and Russian sources as well as recently declassified CIA documents Kevin Peraino tells the story of this remarkable year through the eyes of the key players including Mao Zedong President Truman Secretary of State Acheson

Minnesota congressman Walter Judd and Madame Chiang Kai shek the influential first lady of the Republic of China Today the legacy of 1949 is more relevant than ever to the relationships between China the United States and the rest of the world as Beijing asserts its claims in the South China Sea and tensions endure between Taiwan and the mainland [Making China Modern](#) Klaus Mühlhahn,2019-01-14 Thoughtful probing a worthy successor to the famous histories of Fairbank and Spence that will be read by all students and scholars of modern China William C Kirby coauthor of *Can China Lead* It is tempting to attribute the rise of China to Deng Xiaoping and to recent changes in economic policy But China has a long history of creative adaptation In the eighteenth century the Qing Empire dominated a third of the world s population Then as the Opium Wars and the Taiping Rebellion ripped the country apart China found itself verging on free fall More recently after Mao China managed a surprising recovery rapidly undergoing profound economic and social change A dynamic story of crisis and recovery failure and triumph *Making China Modern* explores the versatility and resourcefulness that guaranteed China s survival powered its rise and will determine its future *Chronicles* reforms revolutions and wars through the lens of institutions often rebutting Western impressions *New Yorker* A remarkable accomplishment Unlike an earlier generation of scholarship *Making China Modern* does not treat China s contemporary transformation as a postscript It accepts China as a major and active player in the world places China at the center of an interconnected and global network of engagement links domestic politics to international dynamics and seeks to approach China on its own terms Wen hsin Yeh author of *Shanghai Splendor* **The Making of Modern China** Owen Lattimore,Eleanor Lattimore,2025-12-01 Originally published in 1945 at a time when China s importance in world affairs was growing this book examined the story of China s long past which explains her strengths and weaknesses and rightly predicted the role the country would play in the future of Asia and the world The book discusses the development of Chinese civilization and succeeds in making China accessible to the non specialist Important topics are discussed such as the role of democracy in China and its imperialist ambitions in the region

Modern China: A Very Short Introduction Rana Mitter,2008-02-28 China today is never out of the news from human rights controversies and the continued legacy of Tiananmen Square to global coverage of the Beijing Olympics and the Chinese economic miracle It seems a country of contradictions a peasant society with some of the world s most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This *Very Short Introduction* offers the reader with no previous knowledge of China a variety of ways to understand the world s most populous nation giving a short integrated picture of modern Chinese society culture economy politics and art ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The Making of Modern China* Jing Liu,2018-07-01 The fourth volume in this fun comic style series that explores China s move to modernization Who founded

China Are Chinese people religious What is Chinese culture and how has it changed over time The Understanding China Through Comics series answers these questions and more The fourth volume in the Understanding China Through Comics series The Making of Modern China covers the stunningly productive Ming dynasty and its fall to the Manchus under the Qing the last Chinese dynasty The book also addresses Wang Yangming s School of Mind and the painful process of modernization and conflict with the West and Japan including the Opium Wars and the Boxer Rebellion [Shanghai Splendor](#) Wen-hsin Yeh,2007-09-03 Rich with details of everyday life this multifaceted social and cultural history of China s leading metropolis in the twentieth century offers a kaleidoscopic view of Shanghai as the major site of Chinese modernization Engaging the entire span of Shanghai s modern history from the Opium War to the eve of the Communist takeover in 1949 Wen hsin Yeh traces the evolution of a dazzling urban culture that became alternately isolated from and intertwined with China s tumultuous history Looking in particular at Shanghai s leading banks publishing enterprises and department stores she sketches the rise of a new maritime and capitalist economic culture among the city s middle class Making extensive use of urban tales and visual representations the book captures urbanite voices as it uncovers the sociocultural dynamics that shaped the people and their politics **Deng Xiaoping and the Making of Modern China** Richard Evans,1994 Evans examines 20th century Chinese history especially the rise of Communism and the Cultural Revolution using the career of Deng Xiaoping as the focus **Russia and the Making of Modern China, 1900-1916** Chang-kuo Tuan,1983 [Russia and the Making of Modern China](#) Changguo Duan,1985 [Marxism and the Making of China](#) J. Gregor,2014-02-19 An assessment of the influence of the Marxism of Karl Marx and Friedrich Engels on revolutionary developments in China The work covers the period from the first appearance of the Chinese Communist Party under Mao Zedong until its full transformation by Deng Xiaoping into a nationalist developmental single party developmental dictatorship *Tibetan Buddhists in the Making of Modern China* Gray Tuttle,2005-04-26 Over the past century and with varying degrees of success China has tried to integrate Tibet into the modern Chinese nation state In this groundbreaking work Gray Tuttle reveals the surprising role Buddhism and Buddhist leaders played in the development of the modern Chinese state and in fostering relations between Tibet and China from the Republican period 1912 1949 to the early years of Communist rule Beyond exploring interactions between Buddhists and politicians in Tibet and China Tuttle offers new insights on the impact of modern ideas of nationalism race and religion in East Asia After the fall of the Qing dynasty in 1911 the Chinese Nationalists without the traditional religious authority of the Manchu Emperor promoted nationalism and racial unity in an effort to win support among Tibetans Once this failed Chinese politicians appealed to a shared Buddhist heritage This shift in policy reflected the late nineteenth century academic notion of Buddhism as a unified world religion rather than a set of competing and diverse Asian religious practices While Chinese politicians hoped to gain Tibetan loyalty through religion the promotion of a shared Buddhist heritage allowed Chinese Buddhists and Tibetan political and religious leaders to

pursue their goals During the 1930s and 1940s Tibetan Buddhist ideas and teachers enjoyed tremendous popularity within a broad spectrum of Chinese society and especially among marginalized Chinese Buddhists Even when relationships between the elite leadership between the two nations broke down religious and cultural connections remained strong After the Communists seized control they continued to exploit this link when exerting control over Tibet by force in the 1950s And despite being an avowedly atheist regime with the exception of the Cultural Revolution the Chinese communist government has continued to recognize and support many elements of Tibetan religious if not political culture Tuttle s study explores the role of Buddhism in the formation of modern China and its relationship to Tibet through the lives of Tibetan and Chinese Buddhists and politicians and by drawing on previously unexamined archival and governmental materials as well as personal memoirs of Chinese politicians and Buddhist monks and ephemera from religious ceremonies
