The Managers Personnel Problem Solver:

The Manager's Personnel Problem Solver John F. Lorentzen, 1980

The Manager's Problem Solving Handbook for Almost Every Managerial Work Matter Gavin Appleby, 2025-04-22 Authority can be visually compelling yet it carries immense responsibility Gavin Appleby's book *The Manager's Problem Solving Handbook for Almost Every Managerial Work Matter* directs readers through the complications of leadership It is an indispensable guide for converting challenges into possibilities for evolution and effective management whether you're a seasoned executive or new to leadership Furthermore Appleby delivers clear practical strategies for handling more than seventy five real world workplace grinds from discourse discrimination and harassment to handling opposition to technology Here each chapter stresses explicit scenarios proposing step by step solutions to matters like managing older employees with medical limitations handling difficult managers and even undergoing sensitive situations like weapons in the workplace Appleby's method negates legal compliance with emotional intelligence assuring managers that they can lead with confidence and compassion Intrinsically this book focuses on proactive management It's not just about resolving problems but predicting them facilitating inclusive environments and delegating teams to thrive

Complex Problem Solving Robert J. Sternberg, Peter A. Frensch, 2014-01-14 Although complex problem solving has emerged as a field of psychology in its own right the literature is for the most part widely scattered and often so technical that it is inaccessible to non experts This unique book provides a comprehensive in depth and accessible introduction to the field of complex problem solving Chapter authors experts in their selected domains deliver systematic thought provoking analyses generally written from an information processing point of view Areas addressed include politics electronics and computers
