The Manikin Jesus:

The Manikin Jesus Thomas E. Martin, 2005-01-24 The purpose of this book is to reveal to the reader the difference between the true called out ones of God and the false ones that say they are called of God but are not The destiny of our future is too important for us to allow false leaders that can be identified to entice us to follow a manikin Jesus That which is born of the flesh is flesh and that which is born of the Spirit is spirit Jn 3 6 It is the Holy Spirit that quickeneth performs the new birth and reveals spiritual truth the flesh unspiritual people without Holy Spirit witness profiteth nothing nothing for the kingdom of Christ The words that I speak unto you said Jesus they are spirit and they are life Jn 6 36 par To those who hunger and thirst to dwell in and to be led by the Holy Spirit and who really yearn to know the real living Jesus of Nazareth will find this book to be a great treasure and window that opens the mind to Biblical truths that are a mystery to multitudes But to the critic this book will be no more to them than any other book that reveals truth to the soul And to self blinded unspiritual church leaders this book will only shame them

The Alchemical Mercurius Mathew Mather, 2014-03-05 The figure of the alchemical Mercurius features ubiquitously and radically in Jung s later works but despite this there has been little research concerning Mercurius in Jungian studies to date In this book Mathew Mather explores the figure of the alchemical Mercurius and contextualises and clarifies its significance in Jung s life and works Placing the alchemical Mercurius as a central concern reveals a Jungian interpretation in which the grail legend alchemy and precessional astrology as three thematic threads converge In such a treatment Jung s belief in the dawning of a new platonic month emerges as a central consideration and an esoteric perspective on Jung s life and works is brought more fully to light constructing a life myth interpretation The book is comprised of three parts Aurea Catena locating the figure of the alchemical Mercurius within the Western esoteric tradition Daimonic Encounter the relevance of this figure in Jung s personal life Magnum Opus Jung s portrayal of this figure in key texts such as Synchronicity Aion Mysterium Coniunctionis and Emma Jung and von Franz s The Grail Legend The Alchemical Mercurius is a unique contribution to analytical psychology substantially revealing esoteric Jung and providing valuable perspectives on the theme of his myth for our times The book will appeal to researchers and academics in the field of analytical psychology as well as postgraduate students

Jung and Intuition Nathalie Pilard,2018-05-15 Jung and Intuition examines for the first time the twelve categories of intuition described in both the works of C G Jung and the post Jungians Nowhere other than in Jung s own work has intuition been more fully treated Each form of intuition is critically explained in the historical context of its appearance and located in one of the four spheres of Jung s psychology the unconscious the subconscious Unterbewusste consciousness and Jungian and post Jungian practice This work brings Jung s entire psychology in all its depth from 1896 to its contemporary use into greater clarity for both professionals and lay readers The author persuasively shows that intuition is at the heart of Jung s psychology It is central to his concept of the archetypes as well as to his understanding of the subconscious and the active imagination It also involves both clinical and philosophical approaches as powerfully demonstrated by his pioneering work at the Burgholzli Klinik in Zurich
