The Wisdom of Heschel Abraham Joshua Heschel, 1975 [Quiet Dangers](#) Wicks, Robert J., 2023 Robert Wick's latest book presents a discussion of the natural encounters all of us can expect on the journey toward a deeper relationship with the truth about ourselves others and God This includes the search for imago Dei what to expect in traveling our own road to Emmaus how to recognize our own hidden resistances to spiritual growth and change especially compartmentalization and ways to personally explore our own answer to Jesus's question in John's Gospel What are you looking for **The Fellowship of Life** Joseph Woodill, 1998 This book fills a vacuum in our understanding of the Eastern Church by revealing themes persons and insights that offer resources for a contemporary moral theology Reviewing the Eastern tradition from patristic times to the present Woodill shows its relevance to contemporary virtue ethics and identifies both differences and similarities between Orthodox and other Catholic Protestant and Jewish virtue ethics Woodill's study centers on the fundamental elements of classical Greek ethics telos practice virtue community narrative and mentoring He analyzes the ancient Greek fathers and the writings of modern Orthodox ethicists Stanley Harakas Vigen Guroian and Christos Yannaras to show how those elements relate to the process of Christian transformation He then demonstrates how the movement from creation to redemption contains an implicit virtue ethic [The Jewish Spectator](#), 1979 **Jesus the Jewish Theologian** Brad H. Young, 1993-11-01 *Jesus the Jewish Theologian* establishes Jesus firmly within the context of first century Judaism and shows how understanding Jesus Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith Insights from Jewish literature archeology and tradition help modern readers place Jesus within his original context Particular attention is given to the Jewish roots of Jesus teaching concerning the kingdom of God **The Cumulative Book Index**, 1975 A world list of books in the English language [Catholics and Jews in Twentieth-century America](#) Egal Feldman, 2001 Thoughtful and thorough *Catholics and Jews in Twentieth Century America* underscores the
