

Witchcraft In Scotland

Lizanne Henderson

Witchcraft In Scotland:

Witch-Hunting in Scotland Brian P. Levack,2019-07-16 Shortlisted for the 2008 Katharine Briggs Award Witch Hunting in Scotland presents a fresh perspective on the trial and execution of the hundreds of women and men prosecuted for the crime of witchcraft an offence that involved the alleged practice of maleficent magic and the worship of the devil for inflicting harm on their neighbours and making pacts with the devil Brian P Levack draws on law politics and religion to explain the intensity of Scottish witch hunting Topics discussed include the distinctive features of the Scottish criminal justice system the use of torture to extract confessions the intersection of witch hunting with local and national politics the relationship between state building and witch hunting and the role of James VI Scottish Calvinism and the determination of zealous Scottish clergy and magistrates to achieve a godly society This original survey combines broad interpretations of the rise and fall of Scottish witchcraft prosecutions with detailed case studies of specific witch hunts Witch Hunting in Scotland makes fascinating reading for anyone with an interest in witchcraft or in the political legal and religious history of the early modern period

The Scottish Witch-Hunt in Context Julian Goodare,2002-09-21 This book is a collection of essays on Scottish witchcraft and witch hunting which covers the whole period of the Scottish witch hunt from the mid 16th century to the early 18th It particularly emphasizes the later stages since scholars are now as keen to explain why witch hunting declined as why it occurred There are studies of particular witchcraft panics including a reassessment of the role of King James VI The book thus covers a wide range of topics concerned with Scottish witch hunting and also places it in the context of other topics gender relations folklore magic and healing and moral regulation by church and state **Scottish Witches and**

Witch-Hunters J. Goodare,2013-10-31 This book brings together twelve studies that collectively provide an overview of the main issues of live interest in Scottish witchcraft As well as fresh studies of the well established topic of witch hunting the book also launches an exploration of some of the more esoteric aspects of magical belief and practice **Borders Witch**

Hunt Mary W. Craig,2020-11-06 The years between 1600 and 1700 were a period of war famine plague and religious upheaval in Scotland A time when ordinary women and men of the Scottish Borders who fell under the suspicion of the Kirk would face interrogation and torture A time when fear of Auld Nick turned the world upside down and the cry of witch would almost always lead to the rope and the flame Mary Craig explores this tremulous period of Scottish history and examines the causes and effects of the 17th century witchcraft trials and executions in the Scottish Borders **Witchcraft and Folk**

Belief in the Age of Enlightenment Lizanne Henderson,2016-04-08 Taking an interdisciplinary perspective Witchcraft and Folk Belief in the Age of Enlightenment represents the first in depth investigation of Scottish witchcraft and witch belief post 1662 the period of supposed decline of such beliefs an age which has been referred to as the long eighteenth century coinciding with the Scottish Enlightenment The late seventeenth and early eighteenth centuries were undoubtedly a period of transition and redefinition of what constituted the supernatural at the interface between folk belief and the philosophies of

the learned For the latter the eradication of such beliefs equated with progress and civilization but for others such as the devout witch belief was a matter of faith such that fear and dread of witches and their craft lasted well beyond the era of the major witch hunts This study seeks to illuminate the distinctiveness of the Scottish experience to assess the impact of enlightenment thought upon witch belief and to understand how these beliefs operated across all levels of Scottish society

Witchcraft and belief in Early Modern Scotland J. Goodare, L. Martin, J. Miller, 2007-12-04 This pioneering collection concentrates on witchcraft beliefs rather than witch hunting It ranges widely across areas of popular belief culture and ritual practice as well as dealing with intellectual life and incorporating regional and comparative elements

A Historical Account of the Belief in Witchcraft in Scotland Charles Kirkpatrick Sharpe, 1884 *Witches of the North* Liv Helene Willumsen, 2013-06-13 *Witches of the North* Scotland and Finnmark is a comparative study of witchcraft persecution in Scotland and Finnmark Norway A wide range of quantitative and qualitative analyses based mainly on legal documents shed light on the witch hunts in the two regions during the seventeenth century Statistical analyses give information about tendencies in the source material in total The qualitative chapters contain close readings of trial documents wherein the various voices heard during a trial are analysed the voice of the scribe the voice of the law the voice of the accused person and the voices of the witnesses The analyses combined provide a broad view of the historical phenomenon in question as well as in depth studies of individual witchcraft cases

An Abundance of Witches P. G. Maxwell-Stuart, 2005 Scotland as with the rest of Europe was troubled from time to time by outbreaks of witchcraft which the authorities sought to contain and then to suppress and the outbreak of 1658-1662 is generally agreed to represent the high water mark of Scottish persecution These were peculiar years for Scotland For 9 years Scotland was effectively an English province with largely English officials in charge but in 1660 this suddenly changed The tension between imported official English attitudes to witchcraft and the revived fervor of Calvinist religion combined to produce a peculiar atmosphere in which the activities of witches drew hostile attention to an unprecedented degree

Enemies of God Christina Lerner, 1981 **Witch Hunts in Europe and America** William E. Burns, 2003-10-30 From early sorcery trials of the 14th century associated primarily with French and Papal courts to the witch executions of the late 18th century this book's entries cover witch hunting in individual countries major witch trials from Chelmsford England to Salem Massachusetts and significant individuals from famous witches to the devout persecutors Entries such as the evil eye familiars and witch finders cover specific aspects of the witch hunting process while entries on writers and modern interpretations provide insight into the current thinking on early modern witch hunts From the wicked witch of children's stories to Halloween and present day Wiccan groups witches and witchcraft still fascinate observers of Western culture Witches were believed to affect climatological catastrophes put spells on their neighbors and cavort with the devil In early modern Europe and the Americas witches and witch hunting were an integral part of everyday life touching major events such as the Reformation and the Scientific Revolution as well as politics law

medicine and culture **A List of Works Relating to Scotland** New York Public Library,1916 *The Witches of Fife* Stuart MacDonald,2014-08-01 Along the coast of Fife in villages like Culross and Pittenweem history records that some women were executed as witches Nevertheless the reality of what happened the night that Janet Cornfoot was lynched at Pittenweem is hard to grasp as one sits by the harbour watching the fishing boats unload their catch and the pleasure boats rising with the tide How could people do this to an old woman Why was no one ever brought to justice And why would anyone defend such a lynching The task of the historian is to try to make events in the past come alive and seem less strange The details of the witch hunt are fascinating Some of the anecdotes are strange The modern reader finds it hard to imagine illness being blamed on the malevolence of a beggar woman denied charity or the economic failure of a sea voyage being attributed to the village hag not bad weather Witch hunting was related to ideas values attitudes and political events It was a complicated process involving religious and civil authorities village tensions and the fears of the elite The witch hunt in Scotland also took place at a time when one of the main agendas was the creation of a righteous or godly society As a result religious authorities had control over aspects of people s lives which seem as strange to us today as beliefs about magic or witchcraft It was not accidental that the witch hunt in Scotland and specifically in Fife should have happened at this time This book tells the story of what occurred over a period of a century and a half and offers some explanation as to why it occurred *List of Works Relating to Witchcraft in Europe* New York Public Library,1911 **A Source-book of Scottish Witchcraft** ,1977 **The Great Scottish Witch-Hunt** P. G. Mawell-Stuart,2007-11-01 Scotland in common with the rest of Europe was troubled from time to time by outbreaks of witchcraft which the authorities sought to contain and then to suppress and the outbreak of 1658 1662 is generally agreed to represent the high water mark of Scottish persecution These were peculiar years for Scotland For nine years Scotland was effectively an English province with largely English officials in charge In 1660 this suddenly changed so the threat to church and state from a plague of witches was particularly disturbing The tension between imported official English attitudes to witchcraft and the revived fervor of Calvinist religion combined to produce a peculiar atmosphere in which the activities of witches drew hostile attention to an unprecedented degree

Scotland and the Scots Peter Ross,1889 **The Witches of Fife** Stuart MacDonald,2014-08-18 Along the coast of Fife in villages like Culross and Pittenweem history records that some women were executed as witches Nevertheless the reality of what happened the night that Janet Cornfoot was lynched at Pittenweem is hard to grasp as one sits by the harbour watching the fishing boats unload their catch and the pleasure boats rising with the tide How could people do this to an old woman Why was no one ever brought to justice And why would anyone defend such a lynching The task of the historian is to try to make events in the past come alive and seem less strange The details of the witch hunt are fascinating Some of the anecdotes are strange The modern reader finds it hard to imagine illness being blamed on the malevolence of a beggar woman denied charity or the economic failure of a sea voyage being attributed to the village hag not bad weather Witch

hunting was related to ideas values attitudes and political events It was a complicated process involving religious and civil authorities village tensions and the fears of the elite The witch hunt in Scotland also took place at a time when one of the main agendas was the creation of a righteous or godly society As a result religious authorities had control over aspects of people s lives which seem as strange to us today as beliefs about magic or witchcraft It was not accidental that the witch hunt in Scotland and specifically in Fife should have happened at this time This book tells the story of what occurred over a period of a century and a half and offers some explanation as to why it occurred

A Historical Account of the Belief in Witchcraft in Scotland Charles Kirkpatrick Sharpe,2005

The History of Witchcraft and Demonology Montague Summers,1926 This work about witchcraft sorcery black magic neuromancy damnation satanism and every kind of magic and occult is written by the undisputed scholar in the field and is a work of unprecedented authority of interest to all who are connected with the subject
