John Jardine (LL.D.)

With The Bishops And Deacons:

Deacons and the Church John N. Collins,2003 Is the deacon a minister for our times Written for deacons of all denominations this book has implications for the whole church as the issues it raises go beyond the diaconate and touch on the nature of the church itself on its ministry and its use of the scriptures It is essential reading for bishops and members of synods with responsibilities for deacons as well as for those who develop or deliver programmes for deacons for those who might be considering becoming a deacon and for all those who like to be informed about what is going on in the church today

The United Methodist Deacon Margaret Ann Crain,2014-03-18 The United Methodist order of deacon represents the ever evolving understanding of ordained ministry But because of the continual changes there is confusion about the call roll identity and tasks of deacons With vivid examples this book gives a clear understanding of the order of deacon beginning with a discussion of how its unique call sets apart persons for ordained ministry Contents include A Deacon Is Called and Sent A Deacon Is Connectional A Deacon Is Missional A Deacon Is Examined and Equipped The Meaning of Ordination A Deacon Is Appointed Deacons Lead the Church Epilogue A Snapshot of Deacons and Their Ministry
