**Witnessing Christ** Michael Biehl, Traugott Hopp, Claudia Jahnelt, Michael Kisskalt, Hanna Stahl, Klaus Vellguth, 2020-09-16 How do Christological Perspectives differ and which specific ways of witnessing Christ exist depending on cultural geographical and confessional context in which they developed Theologians from Africa Asia the Americas the Middle East Oceania and Europe discuss these questions focussing on the missiological implications of various contextual Christologies They aim to answer the question if contextual and confessional provenience coins the epistemological preconditions in a way that creates shapes and secures peculiar identities [How to Take the Worry Out of Witnessing](#) George E. their faith daily *Journeying Life with God / Witnessing Christ's Love 6*, *To Bare Witness to the Truth* Scott Dalton Myers, 2021-03-16 If God does exist why is there so much evil in the world Why do bad things happen to good people Why do we suffer so many trials and tribulations in our lives These difficult questions that nonbelievers often use to deny God s existence are addressed in this book with the biblical and religious references and answers Proof and evidence of God s existence surround us everywhere we go if we simply open our eyes and our minds to the truth The miracles and incredible balance in nature the wonder of the human body the intricate structure of our eyes and ears cellular complexity molecular genetics DNA the wonders of the Earth and our universe all point to intelligent design It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of nature The watchmaker s analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses But there are also records of modern day medical miracles that non Christian doctors cannot explain Additionally thousands of people have chosen to share their near death experiences with a research foundation and virtually all of them reported that they came back with a profound understanding of God s love In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center data suggests that the intercessory prayer to the Judeo Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit Although there are many biblical and religious documents that recorded events in Jesus s life there are well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus s life Finally we must look to human nature itself for evidence of the existence of God and his son Jesus Christ Many Christians including Jesus and all but one of his disciples were persecuted horribly tortured and died excruciating deaths because of their belief in God Many people throughout history have been willing to die for what they truly believed in but no one willingly dies for what they know to be a lie Finally how do you approach a nonbeliever and talk with them about faith This is difficult for most people as they feel that they must have some specialized training in order to do so One does not need a special gift to evangelize The mandate to be a witness applies to every follower of Christ This book can help you be a true witness *The Christian and Witnessing* Bill Bright, 1994 Finally a proven study series that offers a simple way to understand the basics of the Christian faith The series introduces Jesus Christ and explains how to live the Christian walk Each step contains six to seven lessons plus a review section These studies have been used effectively by churches individuals and home Bible study groups worldwide providing a solid foundation for Christian growth A great resource for discipling [Stop Witnessing... and Start Loving](#) Paul Borthwick, 2003 Christ s friends were utterly transformed by His resurrection Their friendship their work and even their meals together took on a new meaning and purpose The same can happen to us today Eugene Peterson beloved pastor scholar and translator of *The Message* takes you back to Jesus time so you can experience the Resurrection through the eyes of biblical witnesses You

ll be a participant in the story so its meaning and wonder can enliven your soul as never before Everything You Never Wanted to Know About Witnessing Ken Speer,2012-05-10 Many Christians feel overwhelmed at the thought of witnessing and frustrated when trying to lead others to Christ This book in every mans language Helps readers overcome fear and become effective witnesses for Christ Helps Christians understand non Christians which is the key to being effective and successful Lays out practical witnessing dos and donts Explains the usefulness of apologetics in helping readers reach their friends and loved ones Unveils important principles of witnessing Discusses common objections to the Christian faith and how to address them organizing them into categories that are easy to find and reference Explains how to recognize and find ones calling in the body of Christ making readers more joyful and fulfilled in their own Christian walks **Witnessing** R. B. Thieme, Jr.,1992-01-01 Witnessing is the declaration of the good news of salvation the Gospel of Jesus Christ to the unbelieving world But is this responsibility and privilege reserved solely for the pastor missionary and evangelist Definitely not Every believer is responsible for presenting the Gospel to a lost and dying world What do you tell unbelievers about Christ You must explain what He accomplished on the cross and how anyone can receive His incomparable gift Your guiding principle is faith alone in Christ alone You are the point of contact in the unbeliever s search for meaning and purpose in life Without faith in Christ and an eternal future ultimately his life is meaningless When a loved one friend or even stranger believes in Christ as Savior from your presentation of the Gospel you will experience the inexpressible reward of serving our Lord through witnessing *Campus Ministry Among Christians: Educational Administrators, Teachers, Students, Youth Workers and Counsellors* M. Panger Longchar,2003 This Study Presents The Necessary Principles And Guidelines For Making Youth Ministry Effective Creative And Enjoyable In Educational Campuses **Why Am I Afraid to Tell You I'm a Christian?** Donald C. Posterski,1983 **The Power of Ordinary Christians** Margaret Wold,Marge Wold,1988 *Witnessing Made Easy* C. S. Lovett,2019-10-07 Witnessing is not soul winning Soul winning consists of a single task bring a prospect face to face with Christ and press him to receive the Lord as his Savior There s no half way business about it You either get a person to make a decision or you don t If you fail to make the presentation or are interrupted for some reason you simply do not win that soul for Christ If there is no decision there is no soul winning Witnessing on the other hand is a work that can be performed in countless ways The moment a person does anything to share the word of Christ he is a 100% successful Witnessing ranges all the way from hiding a gospel tract in a public place to telling another person what Jesus means to you Therefore soul winning and witnessing are NOT the same While everyone can witness for Jesus not everyone can win souls at least not at first For decades I have been training soul winners and witnesses It has been my experience that the average Christian doesn t know the difference between the two skills Most think they are synonymous That causes them to shy away from any kind of training Believing there is no way to witness short of winning a soul to Christ they are reluctant to start A multitude of God s people is content to remain silent thinking only of those prepared to win souls are qualified to speak for Christ I estimate that

80% of all believers have this notion Satan is using it to keep them out of action I don't blame them for being frightened Soul winning is a terrifying business until you are equipped with the skill and more importantly have the strength to use it It's a welcome relief therefore to learn that there are two specialties one which is quite difficult and the other very easy I believe that all Christians could become soul winners if they would first work with the Holy Spirit as witnesses There is nothing more torturous than forcing yourself to be a soul winner when you don't have the personality strength for that kind of approach The thing to do is to develop your strength as a witness and then you can tackle the task of soul winning with confidence and enthusiasm I am suggesting that unless you have a vigorous personality strength which allows you to start right off as a soul winner you should forget about it temporarily The Lord is aware of this variable in His people He knows some are endowed with public gifts while others are shy and timid That's why He gave the command to witness You shall be My witnesses Acts 1:8 Everyone can witness even though not all go on to win souls Why There are ways to witness that match the shyness of the timidest soul Everyone can begin with the easiest steps and then with the passing of time graduate to harder ones It is cruel to expect people to perform spiritual tasks that are not consistent with their social strengths There are those who accept the challenge of their pastor or some evangelist to try and be soul winners A sense of duty drives them For a time they go through the nightmare of attempting something beyond their ability but it doesn't last Before long they recoil from it And that's bad Usually it instills a fear from which they are not easily recovered In this book you will learn that witnessing does not mean soul winning that the spirit's power follows your words and tells us exactly what to say and do There are ten steps rungs in our witnessing course Each offers a bit more ego threat than the preceding one We begin the course with secret actions gradually moving closer and closer to people in bite sized steps that are fun As soon as a person absorbs all the threats at one level he advances to the next higher level Are you ready to go up the ladder

**Living Faith in God 6 / Witnessing Jesus , Witnessing Made Easy** Cumming Samuel Lovett,1964-08 **Witnessing to Christ in a Multi-Religious Context** Beate Fagerli,Knud Jorgensen,Frank-Ole Thoresen,2018-01-05 This book grows out of a desire to come to grips with our new context Until a few decades ago we believed that Norway was for Norwegians And Norwegians were Christian most of them even Lutheran Slowly at first but then with increasing momentum our neighbourhoods and villages changed from being mono cultural and mono religious into something less Norwegian but more like a rainbow society This book brings together the presentations of a symposium on these issues It featured two international keynote speakers Robert Schreiter and Kirsteen Kim as well as a group of presenters and respondents to discuss and reflect on the challenges to witnessing to Christ in societies with multiple faith traditions There is hardly any context for the Christian witness which is not a multi religious and multicultural context Also the landscapes of multi religious and multi cultural contexts are changing We are in our witness accountable for the hope we have in the living God and we are accountable to those for whom the Gospel is given as a word of hope That is not changing as the landscape and the focus of our joint

pilgrimage of the Christian witness is changing This book is a significant contribution to this reflection connecting both the Norwegian perspective and the global ecumenical and inter religious challenge Olav Fykse Tveit General Secretary of the World Council of Churches The essays in this volume focus on the developing multi religious context in Norway but like all good contextual theology they also have implications for the wider church Because of this these essays are like paradigms of the kind of theology and missiology that needs to be done in many contexts throughout the world The face of our world is changing and so must the way we think about or better imagine our witness to Christ Stephen Bevans SVD Louis J Luzbetak Professor of Mission and Culture Emeritus at Catholic Theological Union Chicago These papers wrestle with what it means to bear witness to Christ as Lord and Saviour as changing demography raises new urgent and sometimes troubling questions This is contextualised dialogue in process Rosemary Dowsett lecturer convention speaker author United Kingdom Beate Fagerli is theological adviser to the Council on Ecumenical and International Relations in The Church of Norway Knud Jorgensen is adjunct professor at the MF Norwegian School of Theology and one of the editors of the Regnum Edinburgh Centenary Series Frank Ole Thoresen is rector at Fjellhaug International University College Norway WHAT TO SAY EVANGELISM Brent Price D.Min.,2022-07-28 What To Say Evangelism will teach you precisely what to say in order to lead any unsaved person to their decision for Christ **Faith-sharing** H.
