**Christian Worship** Samuel Osgood, 2015-06-16 Excerpt from *Christian Worship Services for the Church With Order of Vespers and Hymns* This volume is prepared to meet an actual want in our churches here and in the hope of its being of some use elsewhere We needed a new collection of chants and anthems for our usual worship and also a sufficient manual for our new evening service or Vespers In few words the plan of the book may be stated In the first place we have sought to give a regular morning and evening service which shall duly combine freedom and order or the variety which is the spice with the constancy which is the bread of life and save us at once from the monotony of a wholly set ritual and the distraction of a wholly variable choice Thus in the morning service the two chants that may be sung severally at the opening and after prayer vary every Sunday in the month and may moreover give place each to a versified hymn immediately following so as to allow the same order to return once a month or by using the hymns also so as to allow the same order to return once in two months Thus the service has a certain spontaneity and method combined and the pieces may be sung without being announced or read and at the same time they may be at once found in the book There is ample room left for free choice in the remainder of the service and the pieces to be sung therein may be selected at pleasure In the second place we have given an extended and careful order of service for Vespers on very much the same plan and have added a full selection of psalms for responsive reading and of hymns especially adapted to this service The idea of course is not new for Vespers are as old as the Christian Church if not older and all of the great churches of Christendom Rome at the head have their vesper ritual Our order is wholly Protestant and in fact in some respects more bold and progressive than any other of our services yet it retains much of the severe beauty of the ancient rule and will be found to wake echoes between the old and new ages Our esteemed brother Rev Samuel Longfellow formerly of Brooklyn has been the pioneer in this movement and we can recognize his labors without sacrificing our own judgment The service here given will be found to afford opportunity for the highest art of music and at the same time to be within the reach of the simplest congregational worship About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Christian Worship** Samuel Osgood, 2017-09-12 Excerpt from *Christian Worship Services for the Church With Order of Vespers and Hymns* In what we have done we have followed the leadings of our own education and position and not set ourselves up as the framers of a new liturgy or the founders of a new church We have preferred to keep within our own circle and not sought to introduce any symbols or phrases that would make a battle ground of our altar of devotion Without being bigots or radicals

we can keep our own accustomed place as lovers of the old piety and friends of the new freedom as be lieving in the Church of the Future because we believe in the divine seed in the Church of the Past and Present Three names are of themselves enough to justify our conviction and hope of the better times coming and to cheer the champions of a brave fellowship and a broad faith Channing Robertson Bunsen These men whom we love for what they hoped as well as for what they did would not despise the intention if they could not praise the success of a work so humble as ours About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**A Catechism in Christian Worship** Calvin Peter Swank,1927 [The Worshipbook](#) ,1972 [Christian Worship in Transition](#) James F. White,1976 What has happened in the area of Christian worship since 1965 Are rapidly changing times making all worship experimental or reaffirming the values of traditions from yesterday We come together deliberately seeking to approach reality at its deepest level by becoming aware of God in and through Jesus Christ and by responding to this awareness Keeping in mind the unique and extremely important purpose of Christian assembly Dr White a recognized author on worship assesses what has been accomplished in the past decade what is current and what lies ahead for Christian worship in America Dr White selects specific areas of concern and concentrates upon them Among them are the meaning of the sacraments the necessity of learning from tradition yet transcending any limitations of the past and reaching the American culture without allowing worship to become a mirror if it One of the most stimulating discussions deals with church architecture and its effect upon worship for good and evil *Christian Worship in Transition* is an excellent companion volume to Dr White s *New Forms of Worship* It raises important historical theological and pastoral questions to be faced by clergy and laity alike in the near future
