Worthless Pursuits:

Watch Your Step! John A. Keller, 2014-10-16 Easy read daily devotional for living life wisely Watch Your Step Barefoot in a Broken Glass World was written from the perspective of a father warning his children about the dangers of living in a fallen world The greatest fear of the Christian parent is that his or her children are not walking in the truth and subsequently will unwittingly inject pain and suffering into their lives This book reveals the insights behind Solomon s instructions in the Proverbs to walk wisely in the truth

The Quest for Meaning Abiodun Coker, 2023-12-19 This book is for those willing to move from mere existence in the dead zone to living their best years It is a reminder that every flower grows through the dirt Do you feel like you are at a life intersection without navigational aid If you are not where you want to be this book is for you Don t give up

Following Wisdom, Leading Wisely Jeff Roper, 2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character

Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders

Growing Wise Day by Day Thomas J. Sica, 2014-08-29 Ever wish you had more wisdom for the issues that force their way into your life Ever wish you did not have to wait until tomorrow for the wisdom you need today Ever wish you had a manual for living life Wish no more This devotional from the Book of Wisdom Proverbs will help you daily to find such wisdom Imagine sitting at the feet of the wisest man who ever lived as he taught you how to live Well you dont have to just imagine You can sit at his feet His name was Solomon and he taught his son from his wisdom God made sure Solomon wrote this wisdom down and it was preserved for you and I So as we read Proverbs it is like sitting down at his feet and learning how to live wisely as life comes our way This devotional is unique in that it takes you through the entire Book of Proverbs every month Each days thought coincides with the same chapter in Proverbs Therefore if it is the 10th day of the month verses will be found from the tenth chapter of Proverbs It is easy to follow even if you miss a day Join me in Growing Wise Day by Day using this 365 day devotional Gain the wisdom to make wise decisions as you handle lifes pressures and challenges You will find that the topics are relevant to your life and practical for the issues you face As you continue to learn these principles and continue to put them into practice
