Queen of Thorns and Roses Connie Suttle,2018-07-04 Kyri You thought you could walk right into Az ca take over where you left off centuries ago and everybody would just fall in with your plans Is that it I didn t count on her never saw her in all my divinations He meant Sherra An unseeable He d divined Thorn II just not his Queen and partner So You wanted to take over after practically destroying their current King who was a very good King and before that an excellent Commander of the army That s a hell of a way to get Az ca s population to adore you isn t it I can offer them peace he began Except you can t Kaakos is still alive remember and he ll be coming for you of that I have no doubt You know it too and you can t take him on without Az ca s army at your back I thought we could work together Thorn II and I That he d see the reason in it after a while And as he s currently powerless what choice would he have I sniped The present King of Az ca has been rendered powerless through an unsuspected coup and is overcome with despair Kaakos has escaped death but is forced to leave Ny nes Now his sole focus is revenge Az ca s citizens have fallen victim to the enemy s lies and civil war threatens to split the country Sherra is forced to divide her attention between searching for the enemy dealing with traitors and struggling with the King s misery and desolation When the blood spell that rendered Kerok powerless takes a turn even its maker didn t expect only her dreamwalker with help from another can hope to turn the tide *“An” Arabic - English lexicon* Edward William Lane,1872 *The Great Commentary of Cornelius À Lapide: S.
