## **Wow Factory Creating A Customer Focus Revolution In Your Business:**

*The Wow Factory* Paul Levesque,1995 Describes each step in developing customer focus looks at the experiences of customers during a business transaction and suggest ways to exceed customer expectations      **Dreamcrafting** Paul Levesque,Art McNeil,2003-02-09 Many people set out to achieve a big dream such as starting a business or writing a book but when they don t succeed right away the dream fades The authors identify and teach the five macroskills Aspiration motivation projection inclusion and application people need to make any dream a reality      *Converting Customer Value* John J. Murphy, Jamie Burton, Robin Gleaves, Jan Kitshoff,2005-11-18 A company exists to make profit and everything it does is a step towards that goal Many firms are trying to get closer to their customers but few realise how crucial this is to corporate value Indeed the long term value of a company is perhaps best described as the sum of future profits from customers discounted to a present value Tackling two hot topics in business CRM and corporate value and based on a study undertaken by the Customer Management Leadership Group John Murphy s new book links customer management directly to company profitability for the first time By implementing its Customer Management Integration Framework a company can see cash flows for each customer relationship and use that information to effectively manage key customers for higher and more resilient levels of profitability      **The Experience Economy** B. Joseph Pine,James H. Gilmore,2011 With this fully updated edition of the book Pine and Gilmore make an even stronger case that experience is the missing link between a company and its potential audience      **The Experience Economy, With a New Preface by the Authors** B. Joseph Pine II,James H. Gilmore,2019-12-10 Time is limited Attention is scarce Are you engaging your customers Apple Stores Disney LEGO Starbucks Do these names conjure up images of mere goods and services or do they evoke something more something visceral Welcome to the Experience Economy where businesses must form unique connections in order to secure their customers affections and ensure their own economic vitality This seminal book on experience innovation by Joe Pine and Jim Gilmore explores how savvy companies excel by offering compelling experiences for their customers resulting not only in increased customer allegiance but also in a more profitable bottom line Translated into thirteen languages The Experience Economy has become a must read for leaders of enterprises large and small for profit and nonprofit global and local Now with a brand new preface Pine and Gilmore make an even stronger case for experiences as the critical link between a company and its customers in an increasingly distractible and time starved world Filled with detailed examples and actionable advice The Experience Economy helps companies create personal dramatic and even transformative experiences offering the script from which managers can generate value in ways aligned with a strong customer centric strategy      The Publishers Weekly ,1995      Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997 Jeff Herman,1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of
