

## Lesson Session 1 Writers Think of What They Know How to Do

### Elements

<b>Teaching Point</b>	Writers write ideas for their How-to-Books by creating a circle map.
<b>Use of Assessment for Informing Learning</b>	On demands showed that most students did not know what it meant to write a how-to-book with step-by-step instructions. Further than tried to translate what they know how to do into a story. As a result they will need more intense instruction in this area. Some students even write opinions. Most students also had difficulty coming up with ideas of things they know how to do. By creating these circle maps students will be able to have a reference for ideas so they can produce more writing in the future.
<b>Materials</b>	<ul style="list-style-type: none"> <li>• Paper</li> <li>• Crayons</li> <li>• Markers</li> <li>• differentiated writing paper</li> <li>• anchor charts</li> <li>• Samples of How-to's</li> <li>• Promethium Board with how-to flip-chart paper</li> <li>• dry erase fluids</li> <li>• writing strategy reminders</li> <li>• Class circle map</li> </ul>
<b>Procedure</b>	<ul style="list-style-type: none"> <li>• Mini-lesson</li> <li>• Conferencing/Workshop Teaching Point</li> <li>• Strategy Group</li> <li>• Share</li> </ul>
<b>Mini-Lesson Connection</b>	<ul style="list-style-type: none"> <li>• Boys and girls, it was really hard coming up with an idea to write about so today, an idea is something we know about, if we spent some thinking about things we know how to do and write them down, then when we need to write our how-to-books we have someplace to look.</li> <li>• So today I want to teach you that writers write ideas for their how-to-books by creating a circle map.</li> </ul>
<b>Mini-Lesson Details</b>	<ul style="list-style-type: none"> <li>• We're going to make a circle map that tells us all about things we know.</li> <li>• I'm going to write things I know how to do on the top of the page.</li> <li>• Then I'm going to write my name in the center, and draw a circle around it.</li> <li>• Now I'm going to think, what do I know how to do, I think about... (writes/draws around the circle as you speak.) make a sandwich, tie my shoes, say the pledge.</li> <li>• When I have a lot of things I could write about.</li> <li>• Do you see how this can help me when I write, I think I'm going to write a how-to-book about making a sandwich.</li> </ul>

# Writers Choice Lesson Plans

**Marcel A. Müller**

**Writers Choice Lesson Plans:**

## Adopting the Track of Phrase: An Psychological Symphony within **Writers Choice Lesson Plans**

In some sort of used by displays and the ceaseless chatter of quick interaction, the melodic splendor and mental symphony created by the written word frequently diminish in to the back ground, eclipsed by the constant sound and disruptions that permeate our lives. However, located within the pages of **Writers Choice Lesson Plans** a marvelous literary treasure overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that interesting masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden tunes and profound affect resonating within each carefully crafted phrase. Within the depths of this poignant review, we can discover the book is central harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
