

Structure of writing an Opinion Editorial

1. Start with a statement regarding your position, example:
 - a. "Expansion of Medicaid in Kansas is vital to the health of all Kansans."
2. Tell a story, share patient experiences, tug at the heart strings to reinforce why your position is important.
3. Write from your perspective as a physician, as a fellow Kansan.
4. Conclude your piece by restating your position and a clear call for support of Medicaid expansion.

That because I didn't have enough money, I [might not] be around to be their mother for very long."

As a physician in Kansas, I was saddened by this patient experience (or **by that sentiment** if you use sample patient experience in red), but I cannot say I was shocked. The truth is, this experience (or **her perspective**) is more commonplace than most people realize. Currently, hundreds of thousands of hardworking, low-income Kansans cannot afford health insurance. Because they live in Kansas – one of just 14 remaining states that have not expanded Medicaid – the "working poor" find themselves in a coverage gap imposed by some of the strictest Medicaid eligibility requirements in the nation. They earn
