How old are the people when they usually retire ? At what age would you like to retire?

What would be your ideal job ? What would you do? Do you think you could do it and find it very interesting all your life?

Would you prefer to have an easy routine job or a job in which you made a lot of decisions? Have you got an example of job for each category?

What do you think: do people usually work for one company all their life or is it common for people to change jobs every few years ?

Do you think it is more important to make a lot of money or to enjoy your job? Can you make a lot of money and enjoy your job at the same time?
