The Guardian Of Isis:

The Guardian of Isis Monica Hughes,1989 **The Keeper of the Isis Light** Monica Hughes,1981 It was her tenth birthday on Isis By Earth years she would be sixteen But Olwen Pendennis had never been to Earth She had been born on Isis And since her parents death she had lived there alone manning the Isis Light a lighthouse in space designed to aid ships and to bring settlers from Earth And now on the day of her tenth year the settlers are coming at last Olwen is ready to welcome them but are they ready for her She was once human like them But the harsh climate of the alien planet has changed her transformed her into something else something the settlers could never be prepared for **The Guardian of Isis** Monica Hughes,2001-01-01 Years have passed on Isis and civilization has gone backward not forward The settlers have abandoned the technological knowledge of their forefathers preaching myth and superstition about the planet But one inquiring young man yearns to know the truth and soon he gets the chance to find it **ISIS and the Pornography of Violence** Simon Cottee,2019-05-30 ISIS and the Pornography of Violence is a collection of iconoclastic essays on ISIS spanning the four year period from its ascendancy in late 2014 to its demise in early 2018 From a trenchant critique of the infantilization of jihadists to a probing examination of the parallels between gonzo porn and ISIS beheading videos the pieces collected in this volume challenge conventional ways of thinking about ISIS and the roots of its appeal Simon Cottee s core argument is that Western ISIS recruits far from being brainwashed or vulnerable dupes actively responded to the group s promise of redemptive violence and self sacrifice to a total cause **The Islamic State in Africa** Jason Warner,2022-04-01 In 2019 Islamic State lost its last remaining sliver of territory in Syria and its Caliph Abu Bakr al Baghdadi was killed These setbacks seemed to herald the Caliphate s death knell and many now forecast its imminent demise Yet its affiliates endure particularly in Africa nearly all of Islamic State s cells on the continent have reaffirmed their allegiance attacks have continued in its name many groups have been reinvigorated and a new province has emerged Why in Africa did the two major setbacks of 2019 have so little impact on support for Islamic State The Islamic State in Africa suggests that this puzzle can be explained by the emergence and evolution of Islamic State s provinces in Africa which it calls sovereign subordinates By examining the rise and development of eight Islamic State cells the authors show how having pledged allegiance to IS Central cells evolved mostly autonomously using the IS brand as a means for accrual of power but in practice receiving relatively little if any direction or material support from central command Given this pattern IS Central s relative decline has had little impact on its African affiliates who are likely to remain committed to the Caliphate s cause for the foreseeable future **The Isis Trilogy** Monica Hughes,2017-10-31 This newly designed paperback edition brings together the stories of an acclaimed trilogy first published between 1980 and 1982 by an internationally renowned author of fantasy and science fiction The Keeper of the Isis Light is the first book in Monica Hughes acclaimed trilogy and it is the story of Olwen Pendennis the Keeper of the Isis Light She and her companion Guardian have lived alone on the remote planet Isis since the death of her

parents Now colonists from an overcrowded and polluted Earth have landed and are settling in the valleys Olwen fears these new inhabitants may ruin her world forever and it seems she may be right Years later in Hughes sequel *The Guardian of Isis* the planet remains pristine and remote even after the arrival of settlers from Earth Over time the settlers have abandoned the technological knowledge of their ancestors and replaced it with myth But one young man seeks the truth and he soon gets the chance to find it The final chapter in the Trilogy *The Isis Pedlar* brings the devious Michael Joseph Flynn and his daughter Moira to Isis Michael s magic firestone his strangely delicious ambrosia and his mysterious Forever Machine are beguiling to the humble members of the Isis community Only Moira can expose this smooth talking pedlar for the charlatan that he is But will she be able to do it in time to save the simple agricultural community This trilogy is a testament to Hughes enormous talent for writing thought provoking speculative fiction **NoNonsense ISIS and Syria** Phyllis

Bennis,2018-02-22 *Understanding ISIS. Strategic Caliphate-Building or Fanatic Apocalypticism?*,2021-02-22 Master s Thesis from the year 2016 in the subject World History Modern History grade 1 0 London School of Economics International History language English abstract The dissertation examines the underlying motivation of the Islamic State ISIS by explaining how its history and ideology have led to seemingly contradictory activities from rational infiltration and expansion strategies to seemingly irrational provocations such as terrorist attacks These contradictions have raised the question Is the group s ultimate goal of a worldly kind the establishment and defense of a caliphate or of a religious kind fulfilling apocalyptic prophecies The author has extensively analysed the group s publications such as the monthly magazine *Dabiq* as well as a broad range of primary and secondary sources to derive conclusions on its inspiration underlying character and goals The literature review gives a comprehensive summary of academic and journalistic assessments towards the motivations of ISIS The dissertation is of particular use to any author seeking to understand the motivations of Islamist groups contents and tactics of Islamist propaganda and the history of the Islamic State **Shadow Wars** Christopher Davidson,2016-10-06 For more than a century successive US and UK governments have sought to thwart nationalist socialist and pro democracy movements in the Middle East Through the Cold War the War on Terror and the present era defined by the Islamic State the Western powers have repeatedly manipulated the region s most powerful actors to ensure the security of their own interests and in doing so have given rise to religious politics sectarian war bloody counter revolutions and now one of the most brutal incarnations of Islamic extremism ever seen This is the utterly compelling systematic dissection of Western interference in the Middle East Christopher Davidson exposes the dark side of our foreign policy dragging many disturbing facts out into the light for the first time Most shocking for us today is his assertion that US intelligence agencies continue to regard the Islamic State like al Qaeda before it as a strategic but volatile asset to be wielded against their enemies Provocative alarming and unrelenting *Shadow Wars* demands to be read now *The Theban Tombs Series* Egypt Exploration Society,1915 *The Theban Tombs Series* Norman de Garis Davies,Alan Henderson Gardiner,1915 **Satvrae**
