**The Limits of Death** Joanne Morra, Mark Robson, Marquard Smith, 2000 This is the first ever book to analyse outsourcing contracting out public services to private business interests It is an unacknowledged revolution in the British economy and it has happened quietly but it is creating powerful new corporate interests transforming the organisation of government at all levels and is simultaneously enriching a new business elite and creating numerous fiascos in the delivery of public services What links the brutal treatment of asylum seeking detainees the disciplining of welfare benefit claimants the
