Hartley III,2021-02-01 Heart fire is the invigorating feeling that ignites inside you when you encounter the reality the reality of the living God and the reality of who you are meant to be But fire is more than a feeling much more When the fire inside God touches something inside you the effect is spontaneous combustion God actually made your heart to be a flame holder of his presence The flow of fire into your heart is just as important as the flow of blood into your heart You can t live without blood and in reality you can t live without fire not really live Here s the good news it is not your job to set your heart on fire Fire is what God does not what you do Hearts on Fire is altering the course of history God wants to set your heart on fire and to make you a history shaper No one else can take your place You have a unique mission to fulfill May God spark revival fire in your heart today Hearts on Fire is not a book about revival it s a book of revival **Revival of the Heart: 8 Biblical Keys to Releasing the Power and Revelation of God** Ryan P. The Heart of the Gospel Bernie Van De Walle,2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the theological source for modern Pentecostalism rather than being a

marginal movement within late nineteenth century Evangelicalism was instead its very heart [The Heart of a Great Pastor](#) H. B. Jr. London, Neil B. Wiseman, 2006-09-05 The Heart of a Great Pastor salutes pastors everywhere those wanting to take a fresh look at their ministries as well as those just starting out As the baton is passed to the new breed of pastors there is a great need to help them count the cost of serving Christ and equip them with the tools wisdom and encouragement from those who have gone before them H B London Jr and Neil B Wiseman bring their experiences and heart to pastors for such a task To the new breed they ask Do you have a mentor Have you examined your unique call and place in society Do you have buy in from your spouse and children Do you spend as much time in the Word and study as you do in the entrepreneurial pursuits of your ministry Do you genuinely love people Do you really understand how invested God is in you and how important it is for you to make it Here is help for young pastors and their mentors to stay strong personally while taking churches to the edge of creative imaginative newness for Christ while remaining safely anchored to the abiding and adventuresome gospel [The Institute Tie](#) ,1916 **The Heart of the Gospel** Robert E. Coleman, 2011-05-01 For more than forty years Robert E Coleman s bestselling The Master Plan of Evangelism has been the standard in evangelism literature But what is the theology behind evangelism And why is it important for Christians to understand The Heart of the Gospel offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News Each chapter covers a major biblical doctrine explains its various evangelical interpretations treats misconceptions that adversely affect evangelism and offers practical applications of the doctrine Based on decades of classroom teaching this comprehensive work is aimed at ministry readers interested in evangelism and outreach *The Religion of the Heart* Ted A. Campbell, 2000-03-20 In The Religion of the Heart Campbell provides a critical but sympathetic analysis of the European and British pietistic movements of the seventeenth and eighteenth centuries Campbell shows that a definitive form of religious life emerged during the period of inter Christian warfare in the seventeenth century that was characterized by personal affection for God Campbell explores these religious movements parallel to the rise of Enlightenment thought and examines their importance in relation to our understanding of modern religious movements **Business of the Heart** John Corrigan, 2023-04-28 The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging interpretive study of the revival s significance He uses it as a focal point for addressing a spectacular range of phenomena in American culture the ecclesiastical and business history of Boston gender roles and family life the history of the theater and public spectacle education boyculture and especially ideas about emotion during this period This vividly written narrative recovers the emotional experiences of individuals from a wide array of little used sources including diaries correspondence public records and other materials From these sources Corrigan discovers that for these Protestants the expression of emotion was a matter of transactions They saw emotion as a commodity and conceptualized

relations between people and between individuals and God as transactions of emotion governed by contract Religion became a business relation with God with prayer as its legal tender Entering this relationship they were conducting the business of the heart This innovative study shows that the revival with its commodification of emotional experience became an occasion for white Protestants to underscore differences between themselves and others The display of emotion was a primary indicator of membership in the Protestant majority as much as language skin color or dress style As Corrigan unravels the significance of these culturally constructed standards for emotional life his book makes an important contribution to recent efforts to explore the links between religion and emotion and is an important new chapter in the history of religion The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging in
