## **The Magdalene:**

**Origins of the Magdalene Laundries** Rebecca Lea McCarthy,2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman

**Reimaging the Magdalene** Siobhán Jolley,2025-03-20 This book offers a new intersectional feminist approach to utilising and interpreting the visual reception of Mary Magdalene Through employment of Liberative Reception Criticism which develops traditional reception theory in line with liberative hermeneutics via the insights of intersectionality as critical theory Siobhán Jolley provides a novel means of analysing how women and particularly the Magdalene are imaged in Christian tradition Knowledge of both the biblical figure of Mary Magdalene and her cultural reception continue to be dominated by long discredited ideas about her life and sexuality which bear the hallmarks of their development under patriarchy Through close study of relevant biblical texts and extracanonical accounts and a comprehensive survey of the Magdalene's presentation in the Italian art of the Counter Reformation Jolley demonstrates that the patriarchal portrayal of the Magdalene as a sexualised penitent and mournful witness to the resurrection is sustained by its mythic attachment to biblical text Rather than adopting the same tropes uncritically we are invited to look again at artworks and related texts in order to explore what happens when the influence of patriarchy is actively and intersectionally resisted Ultimately the Magdalene is transformed from a reductive and patriarchally mythologised figure to a multidimensional character who is relatable and liberative as an exemplar

**Magdalene's Ascension** Annine van der Meer,2025-01-21 Examines the lives of Jesus and Mary Magdalene using biblical historical apocryphal and recent channeled sources as well as regression reports Explains the concept of ascension through a quantum physics framework detailing Mary Magdalene's ascension along the Tree of Life Explores Mary's family background her education in Egypt her mission in Western Europe and her life and work alongside Jesus including her role as his wife and his appointed successor Expanding the scholarship and understanding of the early Christian period and the world of the Essenes from a feminine perspective religious historian Annine van der Meer offers a detailed new account of the life of Mary Magdalene also known as Mary of Bethany or Miryam the Migdalah showing how Mary's spiritual path is intimately connected to our current times of ascension The author explores Mary's family background her education in Egypt her mission in Western Europe her life and work alongside Jesus also known as Yeshua and her anointing as his wife and his appointed successor Though not recognized by the patriarchal disciples Peter Andrew and Paul the author presents the

evidence of Mary's role through biblical, historical, apocryphal, and recent channeled sources and regression reports including those of Dolores Cannon, Stuart Wilson, Joanna Prentis, and Claire Heartsong. Van der Meer then reveals Mary's ascension process through seven branches along the Tree of Life detailed in *The Gospel of the Beloved Companion* written by Mary herself and scientifically explains ascension, the changing of the physical body into a light body through recent developments in quantum physics. She takes the reader through seven portals from individual ascension to collective ascension, illuminating not only Mary's heavenly journey of becoming light but also its spiritual significance for each of us as individuals and for the world as a whole.

**The Magdalene** Mary Tobin, 2018-09-19 *The Magdalene Temple of the Divine Feminine* is a story channeled from Mary Magdalene. It tells the story of Mary Magdalene's birth and its significance to mankind, her childhood and education in Qumran, and her days as a Priestess of Isis. Mary Magdalene, also known as The Magdalene, speaks about the early years of her ministry with Yeshua, her Beloved, and her prophesied role and mission at this time on the earth.

**Mary the Magdalene** TLR Adams, 2018-07-26 Mary the Magdalene lived in Judea during the Roman Empire. Little was known about her then, yet 2,000 years later, people still talk and write about her. What is it about Mary the Magdalene that causes so many people to be drawn to her? Is it the ways in which she was so deeply human and yet just as deeply spiritual? Mary had circumstances in her life that could have caused anyone to give up, yet after her first encounter with Jesus, her life was changed. Some even say that she became a spiritual leader and had a great influence in those early days of Christianity. But what was the human side of Mary the Magdalene like? Did she have family, children, and a career? Did she ever fall in love? In *Mary the Magdalene: Her Story*, Mary tells us in the first person the answers to the many questions we have been asking for all these centuries.

A sacred priestess of the ancient Womb Rites, Mary Magdalene was at the center of a great and enduring Mystery tradition, one that touched on a stream of perennial spiritual wisdom as old as humanity. Worshipped as the human embodiment of the Goddess, the earthly Sophia, her womb was the spiritual luminatrix that anointed and empowered Jesus, transforming him into the Christ. As a priestess of the Goddess, Mary Magdalene knew how to embody the light and the dark, how to harness the magic potency of sacred sexual energy, and how to cleanse, awaken, and resurrect the soul. Yet even though she sparked the creation of a worldwide religion, her story and teachings have been forgotten. Unveiling the lost left-hand path of the Magdalene, the Feminine Christ authors Seren and
