The Magic Horse Idries Shah,2016-11-09 The Magic Horse is the story of two brothers one skilled in the practical arts and the other Prince Tambal considered by most people to be only a dreamer Their father the King announces a competition to produce interesting and useful devices the entry produced by a woodcarver appears to be only a simple wooden horse apparently of little value But when Prince Tambal looks more closely he discovers that the horse is able to magically

transport its rider to whatever place is in the rider's mind. In this way Prince Tambal comes to learn a great many things and eventually comes to know his heart's desire. This book is one of a series of illustrated Teaching Stories by Idries Shah, stories which have captivated hearts and minds for more than a thousand years. The stories are designed to help children learn to examine their assumptions and to think for themselves. In the Sufi tradition there is a continuum between the children's story, the entertainment or folklore story, and the instructional or instrumental story. A story can help children deal with difficult situations and give them something to hold on to. It can at the same time stimulate a deeper understanding in adults.

THE MAGIC HORSE Claudia Casciato, 2014-08-13. During a stormy night, Clare heard a thud. She peaked out. A bubble of green light floated in the air. When it burst, a white horse appeared with gold wings and a black diamond on its forehead. Raphael, the magic horse, took her to visit Heaven before she found out about Mary Ellen, her best friend's accident. He told Clare that she would be a secret agent of God. She would teach others about the healing powers of Heaven. Her assignment was to help Mary Ellen's mom cope with her death. At the funeral, Clare saw her use white feathers to tickle her and the other children. Clare and Mary Ellen shared a magical spiritual journey on Earth. Willie, Clare's dog, was part of the assignment. They visited a healing pond where they shared an adventure. She struggled with Mary Ellen's death. Her mother and Mary Ellen's mom did not believe about her presence in spirit. She and Mary Ellen shared humorous moments during their journey. One moment was at the psychologist's office. Dr. Goodall believed Clare about Mary Ellen's presence when he witnessed magic. In the end, Clare's mother believed her daughter saw Mary Ellen's presence in spirit. Mary Ellen made a connection with her mother. Clare released her anger and experienced a magical wonderland in the cemetery with Raphael. Believe in yourself and you will conquer all.
