The Man in the Mall Paul Barrows,2005-07-01 The Man in the Mall is a book that is designed to supply solutions to an age old problem that continues to go unresolved The problem being that there are a lot of women who complain about the fact their man doesn't like to shop at the mall with them or anyone else for that matter Most of the women that I spoke to came across as very annoyed and frustrated when it came to getting their man in the mall This anger was the result of year after year of trying to get him to go shopping with her resulting in her going to the mall by herself All that any of these women wanted to do was to share this outside the home activity with the man in their life What a concept This book attempts to show the highlights and lowlights of the dilemma that the shopping mall has been over the years What few highlights that the mall has had on relationships between men and women are far out weighed by the negative ones The history behind this battle goes back to the 60's when the mall experience started expanding across the country There are many things that the malls did which resulted in turning men off from shopping It's this cause and affect that we will be delving into throughout The Man in the Mall There are many parts to this amalgam that we commonly refer to as the shopping mall syndrome and history would indicate that it requires a multitude of solutions to remedy This book will reveal the solutions to such questions about going to the mall such as When do we go Should just the two of us go together What size mall and what type of store How long should I keep him there How do I plan this trip to the mall Does it matter if the mall is close or far away What department should I take him to when we get there Is it all right to include the mall with something else What do I do if I need a babysitter Do I need to leave him alone or do I stay with him Who should drive the first time Do I need to give him a lot of breaks from shopping and if so where do

**The Man on the Stairs** Robert S. Velves, *The Man on the Stairs* presents an intense and captivating story that explores the enigmatic life of a homeless man who has spent the last 18 years sitting on the entrance mall stairs Come rain or shine he remains unmoving resembling a guardian of time watching life's rhythm from his cherished spot He simply coexists a silent disregarded soul amidst the lively fabric of humanity Overlooked and unseen by many he silently observes the world around him Reliant on the compassion of a few kind hearted souls for survival he has uttered not a single word except during rare instances when he is compelled to cry out in the face of local gang aggression Everything takes a dramatic turn one fateful night when a catastrophic fire sweeps through the mall and it is Rylan Simon a modest security guard who steps in as the unexpected protector of this homeless man Intrigued by his enduring presence and eager to unravel his tale Rylan sets out on a journey to uncover the truth Rachelle a kind hearted store saleswoman manager who has been silently aiding the homeless man with meals teams up with Rylan in their mission Along the way they encounter deceitful individuals fall prey to plots and come across a formidable gang leader who may possess the key to unveiling the homeless man's identity Committed to helping him Rylan and Rachelle delve into a poignant history marked by heart rending tragedy As their quest gains momentum Rylan and Rachelle find themselves entangled in a maze of suspense prompting them to challenge their own convictions and confront the harsh realities of society
