The Manifested Sons Of God:

The Manifested Sons of God John Franco,2013-06 If you will search within yourself you will find that within you there is a hunger for the supernatural Not only to witness it but also to participate in its performance How many times have you thought that there must be more to life The work routines the laundry baskets filing taxes We all feel a need to find fullness and meaning rather than merely existing We reach out into the universe for a better state of being we feel an unidentified pull that is outside of what we are familiar with Worst of all is that we are Christians and we have heard so much about how life with God is supposed to be a kaleidoscope of extraordinary experiences The Bible is full of adventure danger intrigue and one story after another of how God s children stood out amongst the inhabitants of the earth We look at our stories only to see how commonplace and redundant our church goings and comings can be John Franco will open your mind to the ways of thinking that keep you in motion but offers much momentum With God inspired exposition on the inheritance of power and authority Jesus gave us Franco shows that living out our salvation in all its glory is as much about our choices as making the decision for Christ in the first place There will always be things that get us down but with the right perspective even the negative aspects of life can be utilized to further our growth The Almighty s forgiveness and healing work all things for our good Break out of the monotony and inactivity step up to the plate armed with God s word about who you are and what you can do then knock this life out of the park THE MANIFESTATION OF THE SONS OF GOD GODSWORD GODSWILL

ONU,2015-03-04 Sons of God have grown in the Lord and they are no more babies infants or boys and sons of God are led by the Spirit of God They obey the Word of God and have close relationship with God They know God and understand His Will and Ways We are supposed to be different from the people of the world and we are supposed to prove to them that we are the Offsprings of God and carry the ability that they don t carry To begin with we should not speak the way they speak even if things seem to be hopeless we should speak forth words of faith As we demonstrate the Spirit and power and live supernaturally and extra ordinarily we show the world that we are the sons of God Let your light so shine before men that they may see your good works and glory your Father in Heaven • *Manifest Sons of God* G. Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This boook proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope
