The Christian Advocate, 1901 *Shifting Polity* Zachary T.

Kilpatrick,2026-02-17 Every day pastors are asked to make impossible choices Visit a sick member or prepare to preach Counsel a struggling marriage or guide an uncertain committee These men are stretched too thin by having to shepherd alone The result is burned out pastors and neglected congregations Scripture offers a better way The biblical model of plural elder leadership is rooted in God s word and proven in the real world This book offers a comprehensive blueprint on how to guide a traditional established church to adopt a plural elder polity one proven in multiple churches including a 198 year old church It includes how to assess a church s readiness how to educate a congregation about biblical leadership how to cast a compelling vision how to build a coalition of trusted voices and how to implement this model Whether a weary pastor in a rural church or a leader who simply desires more for the congregation they serve this model offers readers the comprehensive care they need Healthier and more joyful leadership is possible This book will help show how to get there
