**The Pathway of Life** Count Leo Nikolayevich Tolstoy, Leo Tolstoy, 2014-03. This is a new release of

The Original 1919 Edition      **Tolstoy in Search of Truth and Meaning** Leo Tolstoy,2024-08-13 This collection of inspirational quotes represents Tolstoy's lifelong quest to find meaning and understand life's purpose. Gathered from various writings throughout his lifetime, Tolstoy covers multiple topics including self-improvement, marriage, good and evil, war, and civil disobedience.

**Give War and Peace a Chance** Andrew D. Kaufman,2014-05-20 This lively appreciation of one of the most intimidating and massive novels ever written should persuade many hesitant readers to try scaling the heights of War and Peace sooner rather than later. Publishers Weekly considered by many critics the greatest novel ever written, War and Peace is also one of the most feared. And at 1,500 pages, it's no wonder why. Still, in July 2009, Newsweek put War and Peace at the top of its list of 100 great novels, and a 2007 edition of the AARP Bulletin included the novel in their list of the top four books everybody should read by the age of fifty. A New York Times survey from 2009 identified War and Peace as the world classic you're most likely to find people reading on their subway commute to work. What might all those Newsweek devotees, senior citizens, and harried commuters see in a book about the Napoleonic Wars in the early 1800s? War and Peace is many things. It is a love story, a family saga, a war novel. But at its core, it's a novel about human beings attempting to create a meaningful life for themselves in a country torn apart by war, social change, political intrigue, and spiritual confusion. It is a mirror of our times. Give War and Peace a Chance takes readers on a journey through War and Peace that reframes their very understanding of what it means to live through troubled times and survive them. Touching on a broad range of topics from courage to romance, parenting to death, Kaufman demonstrates how Tolstoy's wisdom can help us live fuller, more meaningful lives. The ideal companion to War and Peace, this book makes Tolstoy's characters lively and palpable and may well persuade readers to finally dive into one of the world's most acclaimed and daunting novels.
