Wisdom Of Serpents:

The Return of the Serpents of Wisdom Mark Amaru Pinkham,2011-03-10 According to ancient records the patriarchs and founders of the early civilizations in Egypt India China Peru Mesopotamia Britain and the Americas were colonized by the Serpents of Wisdom spiritual masters associated with the serpent who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon such as Naga Lung Djedhi Amaru Quetzalcoatl Adder etc these Serpents of Wisdom oversaw the construction of magnificent civilizations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions The Return of the Serpents of Wisdom recounts the history of these Serpents where they came from why they came the secret wisdom they disseminated and why they are returning now

Wise As a Serpent, Innocent As a Dove Alexys V. Wolf,2018-03-08 Behold I send you forth as sheep in the midst of wolves Be ye therefore wise as serpents and harmless as doves Matthew 10 16 KJV We don t hear much about wisdom in the modern day churches and when we do we hear little about innocence This day and age is a time of self serving religion on its best day not to mention what it is on the worst of days The King James Version reads harmless as a dove whereas the New American Standard reads innocent as doves Either way I see a lot of wise people who can preach teach prophesy and more yet they lack the ability to be innocent or harmless aka gentle This book is designed to bring the body of Christ especially leaders of any vocation to learn what it is to be innocent and wise at the same time There s a very good reason as to why God gave such explicit instruction it s because He understands that like Lucifer we can be the wisest of them all yet allow our wisdom to be corrupted by pride
