Wisdoms Children:

Wisdom's Children Linda M. Northrup, 2007-03-07 *Wisdom's Children* is an inspired guide to the needs of today's children many of whom simply do not respond to our current educational system. Reading this information brings greater understanding and healing. Dr. Christiane Northrup, author of *Mother Daughter Wisdom* (Bantam, 2005) and *The Wisdom of Menopause* (Bantam, 2001) and *Women's Bodies, Women's Wisdom* (Bantam, 1998). While in meditation, I sensed the familiar urging of my inner voice and reached for a pen. Children are arriving in vast numbers to assist in the crossover to an enlightened age. They are a new prototype of human being and their soul purpose is to help humanity return to love. *Wisdom's Children* describes a new generation of highly sensitive children whose heightened vibration and consciousness can bring about a transformation in the hearts of humanity. It blends metaphysical information the author received intuitively with her experiences as a teacher and a parent. She has witnessed the beauty of these children as they struggle to adapt to a world and an outmoded educational system that doesn't recognize their expanded perceptions and abilities. The young beings among you carry an intuitive knowledge of universal truth and reflect your deepest longing as spiritual beings to live in harmony with each other and the earth. *Wisdom's Children* Jean Claar Bassett, 1993-01-01 *Wisdom's Daughters* Harvey Arden, 1993. Wall travelled across North America and across lines of culture and gender to spend time with the women elders of ten different tribes. He transcribes their wide-ranging commentary on relationships, child-rearing, medicine, contemporary life, and other subjects. Small black and white photos of the women mostly accompany the text.
