The Feminine Gaze Anne Innis Dagg,2006-01-01 Many Canadian women fiction writers have become justifiably famous But what about women who have written non fiction When Anne Innis Dagg set out on a personal quest to make such non fiction authors better known she expected to find just a few dozen To her delight she unearthed 473 writers who have produced over 674 books These women describe not only their country and its inhabitants but a remarkable variety of other subjects from the story of transportation to the legacy of Canadian missionary activity around the world While most of the writers lived in what is now Canada other authors were British or American travellers who visited Canada throughout the years and reported on what they found here This compendium has brief biographies of all these women short descriptions of their books and a comprehensive index of their books subject matters The Feminine Gaze A Canadian Compendium of Non Fiction Women Authors and Their Books 1836 1945 will be an invaluable research tool for women s studies and for all who wish to supplement the male gaze on Canada s past

Confessions of a Preacher's Wife Roberta Wilber,2024-09-10 When I was only ten years old I was living in poverty trapped in a dysfunctional situation and so without hope that I attempted suicide As years passed nothing changed With nowhere to turn I called out to God for help unsure if He even existed From that moment on I saw the hand of God in my life in my mother s miraculous rescue from a murder attempt in my post high school enrollment in a Bible School and in my marriage to a wonderful man whom I met when he visited my home church as a guest preacher I d gone from spiritual and physical destitution to a wealth of love and blessing Yet being the wife of a minister wasn t without difficulties From becoming a skilled hostess to dealing with the women who were attracted to my husband I had many challenges to overcome When my preacher husband Steve became sick I trained as a real estate agent and learned there is as much ministry outside of the pulpit as behind it And when Steve s illness worsened I discovered there could still be unexpected miracles in my life
