

“Hope”

is the thing with feathers
by Emily Dickinson

“Hope” is the thing with feathers -
That perches in the soul -
And sings the tune without the words -
And never stops - at all -

And sweetest - in the Gale - is heard -
And sore must be the storm -
That could abash the little Bird
That kept so many warm -

I’ve heard it in the chillest land -
And on the strangest Sea -
Yet - never - in Extremity,
It asked a crumb - of me.

networks between countries touched deeply by fascist repression And while he finds collaborations between artists and technologists they were also frequently skeptical of the belief the military government had in uses of technology to develop a modern nation
