Torn from the Nest Clorinda Matto de Turner, 1999-04-29 Clorinda Matto de Turner was the first Peruvian novelist to command an international reputation and the first to dramatize the exploitation of indigenous Latin American people She believed the task of the novel was to be the photograph that captures the vices and virtues of a people censuring the former with the appropriate moral lesson and paying its homage of admiration to the latter In this tragic tale Clorinda Matto de Turner explores the relationship between the landed gentry and the indigenous peoples of the Andean mountain communities While unfolding as a love story rife with secrets and dashed hopes Torn from the Nest in fact reveals a deep and destructive class disparity and criticizes the Catholic clergy for blatant corruption When Lucia and Don Fernando Marin settle in the small hamlet of Killac the young couple become advocates for the local Indians who are being exploited and oppressed by their priest and governor and by the gentry allied with these two Considered meddling outsiders the couple meet violent resistance from the village leaders who orchestrate an assault on their house and pursue devious and unfair schemes to keep the Indians subjugated As a romance blossoms between the a member of the gentry and the peasant girl that Lucia and Don Fernando have adopted a dreadful secret prevents their marriage and brings to a climax the novel s exposure of degradation they share the same father a parish priest Torn from the Nest was first published in Peru in 1889 amidst much enthusiasm and outrage This fresh translation the first since 1904 preserves one of Peru s most distinctive and compelling voices **A**

Trudeau, 1983 **An Especially Tricky People** Garry Trudeau, 1979 **Dare to be Great, Ms. Caucus** G. B.

Trudeau, 1975 Under most circumstances these days law board scores of 760 and impeccable feminist credentials might be expected to insure the swift acceptance of a candidate into law school But when day care director Joanie Caucus applies to half dozen top law schools the best she can manage is inclusion on a couple of waiting lists As the spring weeks drag by the mail brings in one rejection slip after another and Joanie is caught in an agonizing limbo a circumstance shared by her creator who for reasons of literary predeterminism was compelled to ignore the dozen real life acceptances Joanie concurrently received from sympathizing law schools across the country Happily the final episodes of this new Doonesbury collection bring a last minute reprieve and the tenacious lady from Walden finds herself on her way to a new life and career

Back cover **"Any Grooming Hints for Your Fans, Rollie?"** G. B. Trudeau, 1978 Newsbreaks come in various sizes and flavors in this latest serving of Doonesbury adventures There is for one example the small but poignant voice of Son of Arnold and Mary Leiberman hoping to be heard by the all star human interest journalist at the New York Daily News For another we have the author of that cult best seller Jogger Agnonistes ready to spill his innermost secrets on running for pain and profit And from the gatehouse of the Fourth Estate comes the voice and face of Roland Burton Hedley Jr with not one but two self anchored reports What the typical college student is like these days and the president s trip of many nations AKA brief encounters with the third world Segueing with Joanie Caucus s diligent rakings in the muck of the Korean Lobby investigation and Uncle Duke s venture into apricot farming as a toehold on the Laetrile market there is scandal here for the most jaded of media freaks not to mention the unjaded legions of Doonesbury followers Page 4 of cover **In Search of Reagan's Brain** G. B. Trudeau, 1981 Satirizes the television coverage of Afghanistan and the 1980 presidential election the American obsession with suntans the Billy Carter affair and the trial of the Gang of Four **Action Figure!** G. B. Trudeau, 1992 Faster than the speed of speed Doonesbury s Duke has shown up for every major world conflict since he first leapt from Trudeau s pen some 17 years ago Action Figure is a complete retrospective of Duke s reign of malfeasance And to celebrate the occasion this anthology is accompanied by a fully articulated five inch action figure modeled by George Lucas s Industrial Light and Magic **Humor in America** Enid Veron, 1976
