Writers House In Wales:

A Writer's House in Wales Jan Morris, 2011-06-15 Through an exploration of her country home in Wales acclaimed travel writer Jan Morris discovers the heart of her fascinating country and what it means to be Welsh Trefan Morys Morris's home between the sea and mountains of the remote northwest corner of Wales is the 18th century stable block of her former family house nearby Surrounding it are the fields and outbuildings the mud sheep and cattle of a working Welsh farm She regards this modest building not only as a reflection of herself and her life but also as epitomizing the small and complex country of Wales which has defied the world for centuries to preserve its own identity Morris brilliantly meditates on the beams and stone walls of the house its jumbled contents its sounds and smells its memories and inhabitants and finally discovers the profoundest meanings of Welshness

Traveling Genius Gillian Fenwick, 2008 This is a guidebook to the multifaceted career of the popular travel writer and historian Traveling Genius surveys the half century of work by British writer Jan Morris including more than fifty books and thousands of essays and reviews from 1950s America via Oxford Venice Trieste Sydney and Hong Kong to her home in Wales Internationally known as a travel writer she has also distinguished herself across many other genres by writing history autobiographies and biographies and literary fiction and essays Existing accounts of Morris work are largely confined to reviews and magazine essays and often concentrate on James Morris sex change and transformation into Jan Morris This is of course significant to the writing and some critics detect a change of tone and style afterward but a detailed analysis of how her writing works has not yet been undertaken In Traveling Genius Gillian Fenwick fills that gap in the scholarship with the first study to explore the depths of Morris complete body of work utilizing close readings and archival research Fenwick maintains that Morris abilities as historian biographer novelist journalist essayist and reviewer all come to bear in the travel writing that has defined and distinguished her international career In her unique profiles of cities and nations Morris has the ability to capture the spirit of a place and its culture without mere descriptions of tourist sites and activities as illustrated in her best selling works on Venice Oxford and Spain Her historical volumes and the groundbreaking Pax Britannica trilogy in particular show her abilities to write for a popular audience while influencing the work and opinions of academics
