Writing Step By Step:

The Writing Process David Hatcher, David P. Hatcher, Lane Goddard, 2005-03 Writing is more than a way to record sentences we've already shaped in our heads. As someone famously said that's just typing. This book will help you develop an approach that includes the thinking part of writing. A series of logical steps will lead you from idea or assignment to finished written work. It answers some basic questions that every writer faces: How do I get organized? What do I do first? What next? How do I evaluate my drafts? How about word choice? When have I said enough? How should I end? Designed to help almost any writer, *The Writing Process* is also an excellent tool for teachers of writing as well as for parents who want to give their youngsters an extra boost.
