Quiller-Couch,1933 **The Splendid Spur, by "q."** "Q.",1891 **The Splendid Spur: Being Memoirs of the**
Adventures of Mr. John Marvel, a Servant of His Late Majesty King Charles I, in the Years 1642-3 Sir Arthur
Thomas Quiller-Couch,2020-09-28 A year or two ago it was observed that three writers were using the curiously popular
signature Q This was hardly less confusing than that one writer should use three signatures Grant Allen Arbuthnot Wilson
and Anon but as none of the three was willing to try another letter they had to leave it to the public whose decision in such
matters is final to say who is Q to it The public said Let him wear this proud letter who can win it and for the present at least
it is in the possession of the author of *The Splendid Spur* and *The Blue Pavilions* It would seem too as if it were his to keep for
Q is like the competition cups that are only yours for a season unless you manage to carry them three times in succession Mr
Quiller Couch has been champion Q since 1890 The interesting question is not so much What has he done to be the only
prominent Q of these years as Is he to be the Q of all time If so he will do better work than he has yet done though several of
his latest sketches and one in particular are of very uncommon merit Mr Quiller Couch is so unlike Mr Kipling that one
immediately wants to compare them They are both young and they have both shown such promise that it will be almost sad if
neither can write a book to live as of course neither has done as yet Mr Kipling is the more audacious which is probably a
matter of training He was brought up in India where one s beard grows much quicker than at Oxford and where you not only
become a man and a cynic in a hurry but see and hear strange things and print them such as the youth of Oxford miss or
becoming acquainted with would not dare insert in the local magazine of the moment So Mr Kipling s first work betokened a
knowledge of the world that is by no means to be found in *Dead Man s Rock* the first book published by Mr Quiller Couch On
the other hand it cannot truly be said that Mr Kipling s latest work is stronger than his first while the other writer s growth is
the most remarkable thing about him It is precisely the same Mr Kipling who is now in the magazines that was writing some
years ago in India and a rare good Mr Kipling too but the Mr Quiller Couch of to day is the Quiller Couch of *Dead Man s Rock*
grown out of recognition To compare their styles is really to compare the men Mr Kipling s is the more startling the stronger
as yet and the more mannered Mark Twain it appears said he reads Mr Kipling for his style which is really the same thing as
saying you read him for his books though the American seems only to have meant that he eats the beef because he likes the
salt It is a journalistic style aiming too constantly at sharp effects always succeeding in getting them Sometimes this is
contrived at the expense of grammar as when a common trick with the author he ends a story with such a paragraph as
Which is manifestly unfair Mr Quiller Couch has never sinned in this way but his first style was somewhat turgid even
melodramatic and compared with Mr Kipling s lacked distinction **The Splendid Spur** Arthur Quiller-Couch,2023-05-09
