**The Intimate Man** James E. Kilgore, 1984-01-01      The Intimate Male Linda Levine, Lonnie Garfield Barbach, 1983-01-01 Based on numerous interviews with a wide cross section of American men varying in age residence marital status and sexual orientation this book explores male expectations and experiences of sex      **Criminal Law and the Man Problem** Ngaire Naffine, 2019-04-04 Men have always dominated the most basic precepts of the criminal legal world its norms its priorities and its character Men have been the regulators and the regulated the main subjects and objects of criminal law and by far the more dangerous sex And yet men as men are still hardly talked about as the determining force within criminal law or in its exegesis This book brings men into sharp focus as the pervasively powerful interest group whose wants and preoccupations have shaped the discipline This constitutes the man problem of criminal law This new analysis probes the unacknowledged thinking of generations of influential legal men which includes the psychological and legal techniques that have obscured the operation of bias even to the legal experts themselves It explains how men s interests have influenced the most cherished legal norms especially the rules of human contact which were designed to protect men from other men while specifically securing lawful sexual access to at least one woman The aim is to test the discipline s broadest commitments to civility and its trajectory towards the final resolution when men and women were declared to be equal and equivalent legal persons In the process it exposes the morally and intellectually limiting consequences of male power      The Literary Man's Bible William Leonard Courtney, 1908      *The Blind Man's House--a Quiet Story* Hugh Walpole, 2022-08-16 In *The Blind Man s House A Quiet Story* Hugh Walpole masterfully weaves a narrative that explores the subtleties of human experience through the lens of isolation and perception Set against a backdrop of a modest English town the story delves into the life of a blind man who encounters a range of characters each reflecting their own complexities and frailties Walpole s prose is characterized by its lyrical quality blending vivid imagery with psychological insight which elevates the narrative into a contemplative reflection on sight understanding and the essence of companionship This work resonates with themes prevalent in early 20th century literature particularly the exploration of personal versus social realities in a rapidly changing world Hugh Walpole an English novelist and playwright was known for his deep empathy and keen observations of the human condition which stemmed from a rich and diverse life Growing up in New Zealand before moving to England Walpole integrated his vast experiences into his writing His encounters with various cultures and societal norms fueled his interest in the intrinsic complexities of human relationships providing fertile ground for the poignant themes presented in *The Blind Man s House* I highly recommend *The Blind Man s House* to readers seeking a profound exploration of empathy isolation and the intricate tapestry of human connection Walpole s poignant storytelling not only resonates on a personal level but also invites readers to reflect on their own perceptions of the world around them This quiet yet impactful narrative is a testament to the author s remarkable ability to delve into profound emotional depths with nuance
