

Here are some little known facts about the Roosevelts—some famous and some not so famous. Did you know that:

- Nicholas J. Roosevelt*, although slighted by history, really invented the steamboat and took the first steamboat down the Mississippi to New Orleans.
- Elizabeth Ann Seton*, the first American to be canonized, is related to the Roosevelts.
- Robert R. Roosevelt* was America's first environmentalist and founded the conservation movement.
- James Roosevelt*, FDR's father, fought in Garibaldi's army for the unification of Italy.
- Theodore Roosevelt* would go for brisk walks about Washington, usually accompanied by only a single Secret Service agent. With President McKinley's murder in mind, he often parked a pistol himself, telling one friend, "I should have some chance of shooting the assassin before he could shoot me, if he were near me."
- John Henry Roosevelt* left the money to found Roosevelt Hospital—money earned by playing the stock market after he was afflicted with polio.
- Theodore Roosevelt, Jr.*, won every combat medal awarded by the U. S. Army, including the Medal of Honor.
- Eleanor Roosevelt* adopted positions considerably in advance of prevailing American diplomatic policy, including a ban on nuclear testing in the atmosphere, the recognition of Red China, and (opposing the State Department) the establishment of a Jewish state in Palestine.
