more than a mere artifact of literary heritage it is a profound study of life's fragility and strength Recommended for those who appreciate classic literature with a timeless appeal this novel will surely resonate with enthusiasts and scholars alike who seek to explore the enduring questions of human existence through the art of storytelling Couched in Young's masterful narrative this book is an invitation to witness the undiminished power of thoughtful literature

**Science-gossip** John Thomas Carrington, 1894 *The Moral Psychology of Shame* Alessandra Fussi, Raffaele Rodogno, 2023-02-01 Few emotions have divided opinion as deeply as shame Some scholars have argued that shame is essentially a maladaptive emotion used to oppress minorities and reinforce stigmas and traumas an emotion that leaves the self at the mercy of powerful others Other scholars however have argued that the absence of a sense of shame in a subject their shamelessness is tantamount to a vicious moral insensitivity As the eleven original chapters in this collection attest however shame scholars are entering a new phase one in which scholarship no longer attempts to defend one side of shame against the other but rather accepts both faces as faithful to the phenomenon to be explained At the core of our understanding of shame there are profound disagreements about the importance of the Other in shaping our moral identity As this collection shows by its study of shame the difficulty of the connection between Self Other and morality spans over millennia and cultures and currently animates important debates at the core of feminism and disability studies Contributors Mark Alfano Alessandra Fussi Lorenzo Greco JeeLoo Liu Katrine Krause Jensen Heidi L Maibom Tjeert Olthof Imke von Maur Alba Montes Sánchez Raffaele Rodogno Alessandro Salice Krista K Thomason ngrid Vendrell Ferran
