Merton includes a broad range of Merton's writings including his letters and highlights his threefold call to prayer to compassion and to unity. It offers the essential writings of one of the greatest spiritual teachers of our time. **BOOK JACKET**
Title Summary field provided by Blackwell North America Inc All Rights Reserved *Thomas Merton* Paul R. Dekar, 2011-08-05 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer. This book explores Merton's prophetic writings and experience as they offer guidance for spiritual seekers in their search to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation, consumerism, noise, and technology. The book includes parts of three previously unpublished conference contributions by Merton on technology. **Thomas Merton: God's Messenger on the Road towards a New World** Paul R. Dekar, 2021-06-02 Thomas Merton's *God's Messenger on the Road towards a New World* highlights the contribution of the best-selling North American writer between the Second World War and 1968. The Cistercian monk called people to act justly, love, kindness, and walk humbly. By his critique of technology, a major impediment for people to follow Jesus, by his writing on contemplative prayer, by his interfaith outreach, and through his witness against racism, war, and degradation of nature, Merton still matters. This book uses Micah 6:8 to organize Merton's focus on justice, lovingkindness, and humility, as well as his dialogue with Rachel Carson, Ernesto Cardinal, Gandhi, Martin Luther King Jr., Thich Nhat Hanh, and others. *The Art of Thomas Merton* Ross Labrie, 1979 A study and general literary introduction to the writings of Thomas Merton, displaying his versatility in mastering various literary forms including novel, diary, essay, and poem. **A Monastic Introduction to Sacred Scripture** Thomas Merton, 2022-10-27 Thomas Merton gave numerous conferences during his decade (1955-1965) as novice master at the Cistercian Abbey of Gethsemani. In *A Monastic Introduction to Sacred Scripture*, Patrick F. O'Connell presents one of these, a wide-ranging introduction to biblical studies. Drawing on church tradition, teaching of recent papal documents, and scholarly resources of the time, Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners. For Merton, at the heart of any meaningful reading of the Scriptures, not only for monks but for all Christians, is the invitation to respond, not just intellectually but with the whole self, to recognize the gospel as good news, as a saving, liberating, consoling, challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading, to see how our own lives are part of these great mysteries, how we are one with Jesus in them. O'Connell's extensive introduction situates this reflection in the context of Merton's evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council. [Introductions East & West](#) Thomas Merton, 1981 **Thomas Merton's Paradise Journey** Thomas Merton, William H. Shannon, 2010-07-15 A book which traces the development of the thoughts and writings of the 20th-century Cistercian monk Thomas Merton on the subject of contemplation. **Thomas Merton and the Celts** Monica R. Weis, 2016-09-19 *Thomas Merton and the Celts* offers a new lens through which to view Merton's life and spirituality. By

examining unpublished letters notebooks and taped conferences for the Trappist novices previously unavailable to the general reader the author breaks new ground in Merton studies revealing Merton's growing fascination with his Welsh ancestry Celtic monasticism and early Irish hermit poetry Merton having immersed himself in reading about Celtic Christianity not just about liturgy but about household rituals illuminated manuscripts high crosses and hermit poetry as well recognized in these ancient hermits who lived on water and herbs experienced kinship with creatures and wrote poems about the birds a mirror of his own desires Indeed in a profound way and at a deep level Merton discovered himself in Celtic Christianity

Thomas Merton and the Monastic Vision Lawrence Cunningham, 1999 Cunningham theology U of Notre Dame explores Merton's monastic life and his subsequent growth into a modern day spiritual master Starting from Merton's entrance into the Abbey of Gethsemani in 1941 he highlights the development of Merton's monastic life against the cultural background of the American experience and the vast upheavals in the Roman Catholic Church thus showing how his writings and continuing influence can only be understood against the background of his contemplative experience as a Trappist monk Father Timothy Kelley the current abbot of the Abbey of Gethsemani and a former novice under Merton provides a foreword Annotation copyrighted by Book News Inc Portland OR
