We Were Soldiers Once ... and Young*

To Fight With Intrepidity

Charles Rollin

To Fight With Intrepidity:

To Fight with Intrepidity... John D. Lock, Harold G. Moore, 1998 U S Ranger Major John Lock vividly brings to life the horrific battles and the heroic exploits from the French and Indian War to Desert Storm of a special breed of men for whom valor honor and country mean more than life itself Photo insert **Intrepid's Fighting Squadron 18** Michael I. Fink, 2025-01-14 USS Intrepid s Fighting Squadron 18 VF 18 was one of the U S Navy s highest scoring carrier units of World War II Despite having only one combat veteran in its roster its aviators including Cecil Speedball Harris the Navy s second ranking ace were credited with shooting down more than 170 planes during their 81 day tour of duty earning the squadron the nickname Two a Day 18 in newspapers nationwide How did a novice unit with a comparatively short time in theater accomplish such a feat To answer this question Intrepid s Fighting Squadron 18 follows squadron members through training into combat and finally to the end of their harrowing stories whether they took the return trip home or made the ultimate sacrifice Drawing extensively on archival and family collections author Mike Fink reveals the personalities of these men and the binding friendships they built Moe Mollenhauer Fighting 18 s youngest pilot had a score to settle with the Japanese Outspoken Punchy Mallory incredibly was reprimanded for shooting down enemy planes And the squadron s best known figure Cecil Speedball Harris took the lead in preparing his peers for war before they took their place at the tip of the Navy s spear Intrepid s Fighting Squadron 18 is as much about the bonds these young men formed as it is about Pacific War history The men of Fighting 18 joined the Navy s massive fast carrier force in August 1944 just in time to participate in the last great air and sea battles in the Pacific They were one of the first squadrons to engage Japan s massive battleship force during the Battle of Leyte Gulf racked up incredible scores and suffered devastating losses during the Formosa Air Battle and bore witness to an unthinkable new weapon the kamikaze suicide attack as the war entered its desperate endgame Ultimately Intrepid s Fighting Squadron 18 showcases the powerful impact of war on those who fight it and sheds light on the impact of those men on the war itself **Intrepid** Bill White, Robert Gandt, 2009-09-08 The first official history of the legendary aircraft carrier that fought in World War II and Vietnam and continues to serve as a major air and space museum in New York City The USS Intrepid is a warship unlike any other Since her launching in 1943 the 27 000 ton Essex class aircraft carrier has sailed into harm s way around the globe During World War II she fought her way across the Pacific Kwajalein Truk Peleliu Formosa the Philippines Okinawa surviving kamikaze and torpedo attacks and covering herself with glory The famous ship endured to become a Cold War attack carrier recovery ship for America s first astronauts and a three tour combatant in Vietnam In a riveting narrative based on archival research and interviews with surviving crewmen authors Bill White and Robert Gandt take us inside the war in the Pacific We join Intrepid s airmen at the Battle of Leyte Gulf in October 1944 as they gaze in awe at the apparitions beneath them five Japanese battleships including the dreadnoughts Yamato and Musashi plus a fleet of heavily armored cruisers and destroyers The sky fills with multihued bursts of anti aircraft fire The

flak a Helldiver pilot would write in his action report was so thick you could get out and walk on it Half a dozen Intrepid aircraft are blown from the sky but they sink the Musashi A few months later off Okinawa they again meet her sister ship the mighty Yamato In a two hour tableau of hellfire and towering explosions Intrepid s warplanes help send the super battleship and 3 000 Japanese crewmen to the bottom of the sea We re next to nineteen year old Alonzo Swann in Gun Tub 10 aboard Intrepid as he peers over the breach of a 20 mm anti aircraft gun He s heard of kamikazes but until today he s never seen one Swann and his fellow gunners are among the few African Americans assigned to combat duty in the U S Navy of 1944 Blazing away at the diving Japanese Zero Swann realizes with a dreadful certainty where it will strike directly into Gun Tub 10 The authors follow Intrepid s journey to Vietnam MiG 21 high crackles the voice of Lt Tony Nargi in his F 8 Crusader It is 1968 and Intrepid is again at war Launching from Yankee Station in the Tonkin Gulf Nargi and his wingman have intercepted a flight of Russian built supersonic fighters Minutes later after a swirling dogfight over North Vietnam Nargi and Intrepid have added another downed enemy airplane to their credit Intrepid The Epic Story of America s Most Legendary Warship brings a renowned ship to life in a stirring tribute complete with the personal recollections of those who served aboard her dramatic photographs time lines maps and vivid descriptions of Intrepid s deadly conflicts More than a numbers and dates narrative Intrepid is the story of people those who sailed in her fought to keep her alive perished in her defense and powerfully captures the human element in this saga of American heroism
