What Happens at Night Peter Cameron, 2020-08-04 A couple find themselves at a fading grand European hotel full of eccentric and sometimes unsettling patrons in this faultlessly elegant and quietly menacing allegorical story that examines the significance of shifting desires and the uncertainty of reality.

Garth Greenwell author of *Cleanness* An American couple travel to a strange snowy European city to adopt a baby who they hope will resurrect their failing marriage. This difficult journey leaves the wife who is struggling with cancer desperately weak and her husband worries that her apparent illness will prevent the orphanage from releasing their child. The couple check into the cavernous and eerily deserted Borgarfjarosysla Grand Imperial Hotel where the bar is always open and the restaurant serves thirteen course dinners from centuries past. Their attempt to claim their baby is both helped and hampered by the people they encounter: an ancient flamboyant chanteuse, a debauched businessman, an enigmatic faith healer, and a stoic bartender who dispenses an addictive lichen flavored schnapps. Nothing is as it seems in this mysterious frozen world and the longer the couple endure the punishing cold, the less they seem to know about their marriage, themselves, and life itself.

What Happens at Night is a masterpiece. Edmund White, poised on the cusp of reality, told by an elegantly acute and mysteriously beguiling writer. Richard Eder, *The Boston Globe*, *All the Year Round*, 1889
