Acupressure for Emotional Healing Michael Reed Gach, PhD, Beth Ann Henning, Dipl., A.B.T., 2008-11-19 Increased stress and traumatic events in our lives have resulted in many millions of people who suffer from insomnia nightmares anxiety attacks depression and tension headaches ACUPRESSURE FOR EMOTIONAL HEALING offers relief at your fingertips quickly and safely for a wide range of emotional problems It explains how emotional distress becomes lodged in the body as muscular tension and blocked energy and shows how acupressure can relieve not just the resulting physical symptoms but also their emotional source often without the need for extensive talk therapy or medication Acupressure stimulates the same points used in acupuncture but instead of needles firm finger pressure is used on the surface of the skin The pressure releases neurochemicals called endorphins that relieve pain As in acupuncture specific pressure points are connected with internal organs and energy pathways in the body called meridians that regulate the flow

of electrical energy to all systems Unlike acupuncture acupressure can be used safely by anyone with only the hands as equipment ACUPRESSURE FOR EMOTIONAL HEALING offers a comprehensive A Z guide to emotional ailments from abandonment to worry and obsessive thinking with fully illustrated instruction on dozens of precise acupressure point locations and how to activate them combined with yogic breathing stretching and movement routines Case histories from the authors practice further illuminate each condition and the path to emotional balance and healing Most routines can be used independently for self care and on the spot relief There are also sections on how to use the techniques to help others with appropriate safeguards

DIY Therapy Chart Helen Papadopoulos, 2013-05-01 This guidebook focuses on the transformation of common negative emotions by teaching how to process and make sense of these feelings which then paves the way for positive emotional states

Heal My Wounds Jermaine Enoch Heaven, 2025-01-17 The world is broken and everyone is looking for a solution in all the wrong places It is hard to get a solution from the wrong source and expect a positive result I know that real emotional healing can only be received through Jesus Christ Yes pain always brings out the worst in us but if it is not processed properly it can cause irreparable damage I never realised how much my generation has been shaped by

emotional hurt until I sat down to write this book And I always wondered why a lot of people felt the need to come to me asking for help or advice about their hurts It always broke my heart just listening to their experiences Thank God after a few counselling and prayer sessions they would receive their healing This became a day to day part of my life I now realise I was called to this God has given me the wisdom to deal with this kind of spiritual baggage I wrote this book to offer some solutions to emotional pain For this reason I have extensively used my personal experiences and those of other people to show those who are hurting that God can turn those hurts into an opportunity for helping others I share my journey about how God healed me from a lot of emotional pain This book is therefore a personal guide to emotional healing I believe that this book will take you on a journey to personal healing I may not have the answers to every emotional problem but I think that I covered a majority of some of the problems you may be facing currently I encourage you to read this book It is very educational and eye opening If none of these situations applies to you I still encourage you to read on And if anything applies to you then trust that God will heal you by the time you finish reading this book Jermaine R Dokothum **Love and Healing**
