Take Power:

Live Victoriously Take Authority over the Devil and Take Back Your Power Dr. Sylvia Black, PhD, 2018-06-30 I didn't realize I had the power to defeat the devil and take authority until I got sick and tired of him defeating me That's when I said enough is enough I was beating myself up for past mistakes I was ashamed for what was done to me I was letting people run all over me and I failed to protect that little girl inside of me Taking authority gives us the authority not be or feel powerless To be in full control of our lives situation and circumstances and not be used as a door mat Taking authority means staying in full control of our ability to resist the devil Taking authority gives us the power to command the Devil and all his workers of iniquity to flee and do what we tell them to do and not let them do what they want to do to us God gives us power to trample on serpents but we don't trample God gives us the power to get wealth Why are we broke God gives us power to heal all manner of sickness and disease Why is your body racking with pain Get a copy of this book and learn to take authority

The Bolsheviks Come to Power Alexander Rabinowitch, 2017-05-20 The Bolsheviks Come to Power is one of the most important histories of the Russian Revolution to challenge the mainstream narratives Originally published to great acclaim in 2004 this new edition marks the 100th anniversary of one of the explosive and game changing moments in modern times In this absorbing narrative Alexander Rabinowitch counters the claims by mainstream historians that the revolution was a military coup led by Lenin and a small band of fanatics He refutes the Soviet myth that the party's triumph in the October Revolution was inevitable and explains the ebbs and flows of the revolutionary period tracing the moods of the working class and the political positions of the Bolsheviks at different historical moments including the immediate aftermath of the February Revolution the July Days the Kornilov affair and up to and including the October Revolution itself Drawn from a wealth of primary sources and archival material this new edition of Rabinowitch's classic account is a must have for anyone interested in clearing away the tired platitudes of mainstream historians and reclaiming the revolution on this important anniversary
