

# Taking Shape

**Roger T Ames**

## **Taking Shape:**

**Living for Shalom** Jeanette Woods, 2021-08-31 Ross Langmead will be remembered as one of Australia's leading missiologists having established his credentials as a young man in founding Westgate Baptist Community after writing a report on the struggling churches in the west of Melbourne. His distinguished academic and teaching career led him to join the faculty at Whitley College until his death in 2013. He will also be remembered for his seventies folk group Daddy's Friends and the songs of love and justice he wrote over forty-five years that are still sung today. This biography starts with his missionary family upbringing and traces the influences that shaped his passion for sharing Jesus with the urban poor. He was a key player in the radical discipleship movement in Australia; his understanding of incarnational mission was that Christians need to be the people of God just where they are. Above all, he lived simply that others might simply live; his passion extending to ecumenism and support for the unemployed indigenous and refugees. He would want this book to inspire readers to make a difference in the world.

**Metaphor and Meaning** Constance A. Cook, Christopher J. Foster, Susan Blader, 2024-07-01 In *Metaphor and Meaning*, scholars from China, the United States, and Europe draw on Sarah Allan's groundbreaking application of conceptual metaphor theory to the study of early Chinese philosophy and material culture. Conceptual metaphor theory treats metaphors not just as linguistic expressions but as fundamental structures of thought that define one's conceptual system and perception of reality. To understand another culture's worldview then hinges upon identifying the right metaphors through which it then becomes possible to navigate between shared and unshared experiences. The contributors pursue lines of argument that complement, enhance, or challenge Allan's prior investigations into these root metaphors of early Chinese philosophy, whether by explicitly engaging with conceptual metaphor theory or more indirectly by addressing meaning construction in a broader sense. Like Allan's interpretative works, *Metaphor and Meaning* interrogates both transmitted traditions and newly unearthed archaeological finds to understand how people in early China thought about the cosmos, society, and themselves.

**Confucian Role Ethics** Roger T. Ames, 2011-08-03 In this landmark work, noted comparative philosopher Roger T. Ames interprets how the classics of the Confucian canon portray the authentic ethical human being. He argues that many distinguished commentators on Confucian ethics have explained the fundamental ideas and terms of this distinctively Chinese philosophy by superimposing Western concepts and categories, effectively collapsing this rich tradition into a subcategory of virtue ethics. Beginning by addressing the problem of responsible cultural comparisons, Ames then formulates the interpretive context necessary to locate the texts within their own cultural ambience. Exploring the relational notion of person that grounds Confucian philosophy, he pursues a nuanced understanding of the cluster of terms through which Confucian role ethics is expressed. Drawing on Western and Chinese sources, Ames provides a convincing argument that the only way to understand the Confucian vision of the consummate life is to take the tradition on its own terms.

**Human Becomings** Roger T. Ames, 2020-12-01 2021 CHOICE Outstanding

Academic Title In Human Becomings Roger T Ames argues that the appropriateness of categorizing Confucian ethics as role ethics turns largely on the conception of person that is presupposed within the interpretive context of classical Chinese philosophy By beginning with first self consciously and critically theorizing the Confucian conception of persons as the starting point of Confucian ethics Ames posits that the ultimate goal will be to take the Confucian tradition on its own terms and to let it speak with its own voice without overwriting it with cultural importances not its own He argues that perhaps the most important contribution Confucian philosophy can make to contemporary ethical social and political discourse is the conception of focus field relationally constituted persons as a robust alternative to the ideology of individualism with single actors playing to win

**Florida Public Works**, 1940 **Rethinking Mamardashvili: Philosophical Perspectives, Analytical Insights**, 2022-06-27 This book intends to present Mamardashvili s philosophical perspective on modern society by exemplifying in different ways its distinctive contribution to the greater philosophical landscape The authors aim to define both Mamardashvili s place in the history of philosophy among the currents of twentieth century European thought and in particular phenomenology and his relations with authors like Hegel Proust Deleuze and Wittgenstein while identifying the basic methodological instruments and substantive concepts of his thought language migration citizenship or the freedom of complaint The volume will be useful both for preparatory courses by supplying an introduction to Mamardashvili s thought and forming the key necessary concepts and for advanced research exigencies allowing a professional audience to discover the remarkable insights of Mamardashvili s philosophy **Designing the American Century** Thomas J.

Campanella, 2025-07-08 A richly illustrated look at the lives and collaborations of two unsung giants of American landscape and urban design Gilmore D Clarke and Michael Rapuano were the foremost spatial designers of the American century Their vast portfolio of public landscapes propelled the legacy of Frederick Law Olmsted and Calvert Vaux into the motor age touching the lives of millions and changing the face of the nation Designing the American Century recovers the forgotten legacy of Clarke and Rapuano whose parks and parkways highways and housing estates helped modernize for better or worse the American metropolis With the patronage of public works titan Robert Moses Clarke and Rapuano transformed New York over a span of fifty years revitalizing the city s immense park system but also planning expressways public housing and urban renewal projects that laid waste to entire sections of the city In this groundbreaking work Thomas J Campanella describes how Clarke and Rapuano helped create some of the metropolitan region s most iconic landscapes from the Central Park Zoo and Conservatory Garden to the Henry Hudson Parkway and Riverside Park Jones Beach the Palisades and Taconic State Parkways and the Brooklyn Heights Promenade He shows how they left their mark far beyond Gotham as well with projects as diverse as Yellowstone s Mammoth Hot Springs the Mount Vernon Memorial Highway site plans for the Pentagon and CIA headquarters and Montreal s Olympic Park Richly illustrated with a wealth of previously unpublished drawings plans and photographs Designing the American Century fills one of the last major gaps in the history of American urbanism A

Theory of Literary Production Pierre Macherey, 2015-10-08 Who is more important the reader or the writer Originally published in French in 1966 Pierre Macherey's first and most famous work A Theory of Literary Production dared to challenge perceived wisdom and quickly established him as a pivotal figure in literary theory The reissue of this work as a Routledge Classic brings some radical ideas to

**The Evangelist**, 1899      **The Independent**, 1922      Traces Ernst Bloch, Anthony A. Nassar, 2006 Collects aphorisms essays stories and anecdotes and enacts the author's interest in showing how attention to traces can serve as a mode of philosophizing In an example of how the literary can become a privileged medium for philosophy his chief philosophical invention is to begin with what gives an observer pause      *"The" Quarterly Review*, 1885      Religious Pamphlets, 1914      Gleanings from the Sea Joseph Warren Smith, 1887      **The Life of James W. Alsop, LL. D., B. A.** Constance Mott Alsop, 1926      **Transactions of the American Institute of Mining, Metallurgical and Petroleum Engineers** American Institute of Mining, Metallurgical, and Petroleum Engineers, American Institute of Mining Engineers, 1923 Some vols 1920 1949 contain collections of papers according to subject      *How to Enjoy Pictures* Mabel Sarah Emery, 1898      *Transactions of the American Institute of Mining and Metallurgical Engineers*, 1923

*The Crayfish* Huxley, 1883      **Fallacies** Alfred Sidgwick, 1901
