Ultra High Dilution P.C. Endler, J. Schulte, 2013-04-17. The idea of editing this book was born in the winter of 1988-1989. Christian Endler was organizing the workshop "Wasser und Information" (water and information) in Austria, and Jürgen Schulte was working on a publication of his results on atomic cluster stabilities and long-range electromagnetic interaction in atomic clusters. It was Franz Moser from the Technical University of Graz who brought these two together. After a talk that Moser had given in Bremen, Schulte explained to him his ideas about clusters and long-range interaction and his concern about reliable theories and experiments in research on ultra-high dilutions (UHD) and homeopathy. He was suggested to be a speaker at the Austrian workshop. Reviewing the contributions of this workshop and the current literature on UHD and homeopathy, especially the PhD thesis by Giesela King² and the excellent survey by Marco Righetti³, we decided to work on a book in order to critically encourage more scientists to work and publish in this field with a high scientific standard. What we had in mind was a useful contribution to the goal to lift research on UHD and homeopathy to an internationally acceptable scientific standard, to encourage international scientists to work in this area, and to establish UHD and homeopathy in academic science. Delayed by our individual academic careers in our specific fields and delayed by lack of funds, it took us about four years to finish this book.

Homeopathic Medicine for Children and Infants Dana Ullman, 1992-09-08. Homeopathic remedies are increasingly being used to treat common childhood ailments. He recommends remedies for more than 75 physical and emotional conditions, including allergies, grief, anxiety, headaches, asthma, measles, bedwetting, nappy rash, bites, and stings, shock, burns, sunburn, colic, teething, coughs, and colds, and travel sickness. Without doubt, this is the most comprehensive book on homeopathic pediatrics. Included is a complete guide to the correct use of homeopathy.

recommended remedies for the treatment of more than seventy five common physical emotional and behavioral conditions and valuable information on the essential medicines that all parents should have in their home medicine kits **The Homoeopathic World** ,1880 Homoeopathy for Everyday Stress Problems Trevor Smith,1993 Part of a series of six titles written for the family this is a comprehensive self help guide to the common stress problems of our modern pressurized society Topics discussed include accident proneness agoraphobia anxiety confidence loss depression insomnia fatigue insecurity and shyness One of the reasons why homoeopathy is becoming so increasingly popular is its simple but very effective action using natural substances which restore health without risk or side effects **The Denver Journal of Homoeopathy** ,1895 **Journal of the American Institute of Homeopathy** ,1930 **The Pacific Coast Journal of Homeopathy** ,1905
