Understanding Archives and Manuscripts James M. O'Toole, Society of American Archivists, 1990 Understanding Archives and Manuscripts James M. O'Toole, 1990 **Archives** Andrew Prescott, Alison Wiggins, 2024-01-14 Archives have never been more complex expansive or ubiquitous Archives Power Truth and Fiction is an indispensable research and reference book a hugely helpful guide to archives in the twenty first century Material discussed ranges from medieval manuscripts to born digital archival content and art objects to state papers **Developing and Maintaining Practical Archives** Gregory S. Hunter, 2020-04-14 Since its original publication Hunter's manual has been not only a rich and ready reference tool but also a practical resource for solving problems Catholic Library World and no text has served as a better overview of the field of archives Newly revised and updated to more thoroughly address our increasingly digital world including integration of digital records and audiovisual records into each chapter it remains the clearest and most comprehensive guide to the discipline Former editor of American Archivist the journal of the Society of American Archivists SAA Hunter covers such keystone topics as a history of archives including the roles of historical societies and local history collections in libraries new sections on community archives diversity and inclusion conducting a survey and starting an archival program selection appraisal acquisition accessioning and deaccessioning important points of copyright privacy and ethics arrangement of archival collections with a discussion of new theories description including DACS EAD and tools such as ArchivesSpace access reference and outreach with a look at how recent innovations in finding aids can help researchers preservation including guidance on how to handle rare books maps architectural records and artifacts digital records addressing new and popular methods of storage and preservation of email social media image files webpages Word documents spreadsheets databases and media files disaster planning security and theft prevention metrics assessment establishing employee procedures and policies working with interns and volunteers and other managerial duties public relations and marketing from social media and the Web to advocacy and professional guidelines and codes such as the newly developed SAA Statement of Core Values of Archivists Providing in depth coverage of both theory and practice this manual is essential for archivists at all levels of experience and of all backgrounds Organizing Archival Records David W. Carmicheal, Adam T. Bentz, 2026-01-08 An up to date illustrated primer for organizing both print and digital archival records Encyclopedia of Archival Writers, 1515 - 2015 Luciana Duranti, Patricia C. Franks, 2019-04-26 The Encyclopedia of Archival Writers 1515 2015 is a reference work that includes the profiles of authors of literature about records and archives in the Western world who have shaped the records and archives field over a span of 500 years The 144 archival writers from 13 countries who are included in this volume were selected by an international advisory board on the basis of their impact on the records and archives profession and discipline the presence of their publications in educational programs reading lists and the frequency of reference to their work Among the writers included in this volume are Albertino Barisone of Padua 1587

1667 Sir Hilary Jenkinson of England 1882 1961 Adolf Brenneke of Germany 1875 1946 Theodore R Schellenberg of the United States 1903 1970 Robert Henri Bautier of France 1922 2010 Terry Cook of Canada 1947 2014 Vicenta Cort s Alonso of Spain 1925 Eric Ketelaar of the Netherlands 1944 Aurelio Tanodi of Argentina 1914 2011 Ian Maclean of Australia 1919 2003 and Verne Harris of South Africa 1958 Arranged in alphabetical order each entry includes a biography intellectual contributions and a brief essential bibliography A total of 113 educators professionals and students in the records and archives field 55 of whom are also profiled in this Encyclopedia contributed to this volume There is no other book in any language that focuses on the life and work of authors of records and archives literature In fact there is not easily available information on such writers Thus most entries involved quite a bit of research on dead writers and interviews with the living ones Several living writers supported this work by accepting to author their own entry

American Archival Studies Randall C. Jimerson, 2000 The 28 essays reprinted in this volume represent significant recent American writings on archives and the role of archivists in modern society The essays are arranged into nine parts Understanding Archives and Manuscripts Archival History Selection and Documentation Appraisal Arrangement and Description Reference and the Use of Archives Preservation Electronic Records Management These articles provide important perspectives both on basic elements of archival practice and on fundamental principles in archival theory and methodology In addition to these nine parts there is an introduction and a list of contributors which provide important context for the readings What deserves careful reading is Jimerson s seventeen page introduction It is brilliant and worth the price of the entire volume In it Jimerson lays the groundwork for a commanding understanding of the thought and development of the profession in the two decades of the 1980s and 1990s Megan Sniffin Marinoff *American Archivist* 65 1

A Glossary for Archivists, Manuscript Curators, and Records Managers Lewis J. Bellardo, Lynn Lady Bellardo, 1992 *Encyclopedia of Library and Information Sciences* John D. McDonald, Michael Levine-Clark, 2017-03-15 The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entire and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance

Archives and Manuscripts, 2003 **Advancing Preservation for Archives and Manuscripts** Elizabeth Joffrion, Michele Valerie Cloonan, 2023-03-31 Divided into three parts the book covers preservation frameworks the nuts and bolts of implementing and managing a preservation program and the ethical and moral implications of preservation practices Holding both the history of archival preservation and the current digital preservation landscape in mind Elizabeth Joffrion and Mich le V Cloonan have developed holistic principles and context for archival preservation that incorporate analog and digital

approaches They consider how More Product Less Process can inform preservation strategies examine sustainable practices that are sensitive to the impact of human activity on the environment offer effective programmatic approaches to risk management advocate for inclusive and community focused preservation and highlight the similarities and differences in preservation practices among libraries archives and museums Whether you re new to the profession or experienced in preservation management you will find a valuable framework for thinking about how preservation is practiced today and how it may be carried out in the future to steward your collections and serve your communities Readers will also discover that Advancing Preservation for Archives and Manuscripts complements and augments Mary Lynn Ritzenthaler s classic manual Preserving Archives and Manuscripts [The American Archivist](#) ,2007 Includes sections Reviews of books and Abstracts of archive publications Western and Eastern Europe **History News** ,1994 **Working with Folk Materials in New York State** ,1994 **SAA Newsletter** ,1992 *Archival Outlook* ,2005 *Social Justice and Activism in Libraries* Su Epstein,Carol Smallwood,Vera Gubnitskaia,2019-05-07 In a rapidly changing world with myriad conflicting voices the library s role as a place of safety and inclusion and as a repository of knowledge cannot be overstated Librarians must serve as community leaders with a mission to educate and inform ready to model the principles they support The question for many is how Experienced librarians offer ideas and guidance in seeking new creative paths working to support change in library organizations and reexamining principles that may be taken for granted Theoretical foundations are discussed along with practical ideas such as the creation a book groups for the intellectually disabled and partnership with social workers or advocates for employees with disabilities **Museum Archives** Deborah Wythe,2004 [Preserving Archives and Manuscripts](#) Mary Lynn Ritzenthaler,Society of American Archivists,1993 **African Research & Documentation** ,2011
