Abidjan USA Daniel B. Reed,2016-09-24 Studies of four musicians and a broader discussion about diaspora and migration provides an important study of African music in the United States Alex Perullo author of Live from Dar es Salaam Daniel B Reed integrates individual stories with the study of performance to understand the forces of diaspora and mobility in the lives of musicians dancers and mask performers originally from C te d Ivoire who now live in the United States Through the lives of four Ivorian performers Reed finds that dance and music being transportable media serve as effective

ways to understand individual migrants in the world today As members of an immigrant community who are geographically dispersed these performers are unmoored from their place of origin and yet deeply engaged in presenting their symbolic roots to North American audiences By looking at performance Reed shows how translocation has led to transformations on stage but he is also sensitive to how performance acts as a way to reinforce and maintain community Abidjan USA provides a multifaceted view of community that is at once local national and international and where identity is central but transportable fluid and adaptable Daniel B Reed s scholarship is solid and his writing style is thoroughly engaging The topic is novel there are fascinating twists and turns throughout Eric Charry editor of Hip Hop Africa This study s attention to the intersection of lived experiences with wider historical events and social formations as well as the author s careful analysis of Ivorian ballet and the dances and drum rhythms that constitute the genre make Abidjan USA an important intervention in ethnomusicology and folklore *Journal of American Folklore* **Tinsley's Magazine** ,1875 *The Macro Plays: 1. Mankind (ab. 1475) 2. Wisdom (ab. 1460) 3. The Castle of Perseverance (ab. 1425)* Frederick James Furnivall, Alfred William Pollard,1904 *Performing Arts Books, 1876-1981* ,1981 **Metronome** ,1961 **Guide to Dance Periodicals** ,1962 **The Etude Music Magazine** Theodore Presser,1924 Includes music **Economic Council Letter** National Economic Council,1957 *Subject Index of the Modern Works Added to the British Museum Library* ,1961 [Music for the Dance](#) Katherine Teck,1989-06-23 Teck explores the creation and performance of music for ballet modern concert dance and musical theater dance in 20th century America The author writes from her perspective as a professional musician with a graduate degree in composition and extensive experiences as an accompanist for dance Dividing her study into four sections Creation Performance Silent Artists Speak and Toward the Future Teck investigates issues that arise in music and dance collaborations She presents personal interviews with composers choreographers conductors and performers of both music and dance along with her own reflections on a number of interesting and rarely addressed issues Two of the most engaging are What is musicality in a dancer and How does one obtain new music for choreography Choice Music is the most constant partner for the dancer in America today yet it is often the one least written about least understood and most challenging to work with effectively This book is an exploration of contemporary musical collaboration for the dance in 20th century America It offers an overview of music for theatrical dance in both the creative collaboration and performance of ballet modern dance and show styles Written to be understandable to most theater goers this engaging study is based on exclusive personal interviews with outstanding artists in the field of dance including choreographers composers instrumental performers and dancers themselves and it presents information that will be helpful to students and professionals as well Focusing on some of the more practical aspects of music and dance production the book addresses a number of important questions such as how choreographers choose music for their dances how composers know what to write for a ballet how conductors accommodate the needs of dancers what dancers need to know about music what musicality is in a dancer and

how electronic sound technology has been used artistically for dance Music for the Dance deals with the creative collaborations of choreographers and composers elements of musical performance the aesthetics and experiences of dancers in regard to music the musical training of dancers and current trends in theatrical dance music It examines through the experiences of practicing professionals the various relationships of sound and movement and presents a broad view of the art of dance as it is today This definitive work will be read with interest by dance students and teachers musicians theater goers and patrons and managers of dance companies and arts organizations
