Understanding Disability:

E-Book - Understanding Disability Sally French, John Swain, 2007-12-27 This book examines disability in an accessible and interactive style as it relates to healthcare policy and practice It is aimed at physiotherapists and occupational therapists both students and practitioners but will also be useful to all healthcare workers including nurses doctors and speech and language therapists Based on the social rather than the medical model of disability Views disability in terms of environmental structural and attitudinal barriers which deny disabled people full participation in society Engages health professionals in critical reflection on the provision of services to disabled people Case studies and activities throughout facilitate

understanding of issues presented **Understanding Disability** Paul T. Jaeger, Cynthia Ann Bowman, 2005-07-30 Disability is rarely considered a social issue Scholars tend to discuss it in the abstract medical personnel view it as a health issue and legal concerns for the disabled focus on how to advocate or protect organizations against demands for accommodation As a result disabled individuals are seen as bits and pieces of everyone's constituency but their own The writers of this work both having long personal experiences with disabilities offer a holistic understanding of the lives of disabled individuals from representations in the media to issues of civil rights Written to educate and inform readers about the social roles of disability this accessible and informative work addresses social classifications of disability social reactions to disability legal rights and classifications of persons with disabilities issues of accessibility to information and communication technologies representations of disability in a range of media including literature painting film television and advertising and major issues shaping the contemporary social roles of persons with disabilities By examining the social roles of disability in the past and present from a range of perspectives and disciplines this book reveals a portrait of the social place limitations and rights of persons with disabilities Understanding Disability Michael Oliver, 2018-06-26 In this absorbing text by a leading writer and respected activist theory policy historical background and personal experience are combined to give readers a rich and illuminating picture of the key issues raised by disability In the author's uniquely clear and lively narrative style the book explores The practical and political challenges that disablement presents Theoretical understandings of disability Disability law and the realities of policy implementation Key points of contention for the disability movement This long awaited new edition of a best selling text includes new stories from the author's experience as well as sharply framed debate about the development of policy over the last decade and a half Its expansive coverage includes discussion of welfare rehabilitation special education and normalization This book is core reading for students of social work nursing health and applied social science taking modules in disability studies Michael Oliver was the first Professor of Disability Studies in the United Kingdom and is Emeritus Professor of Disability Studies at the University of Greenwich UK He is the author of the path breaking *The Politics of Disablement and Social Work with Disabled People* in its third edition co authored with Bob Sapey

Understanding Disability Peggy Quinn, 1998 Beginning with infancy and the diagnosis of congenital or early onset

disabilities this book identifies traditional developmental life stages for those with disabilities as well as the impact of disability at each of these periods It then provides specific information for four different disabilities Down s syndrome visual impairment cerebral palsy and spina bifida Spinal cord injury at the young adult stage of development is also included With this knowledge the reader can determine expected age appropriate activities and accomplishments as well as some adapted expectations In keeping with a social work emphasis on strengths the book is based on a social rather than medical model of disability The information

Understanding Disability Sally French,John Swain,2008-02-06 This book examines disability in an accessible and interactive style as it relates to healthcare policy and practice It is aimed at physiotherapists and occupational therapists both students and practitioners but will also be useful to all healthcare workers including nurses doctors and speech and language therapists Based on the social rather than the medical model of disability Views disability in terms of environmental structural and attitudinal barriers which deny disabled people full participation in society Engages health professionals in critical reflection on the provision of services to disabled people Case studies and activities throughout facilitate understanding of issues presented

Understanding Disability Law Mark C. Weber,2012

Understanding Disability Law discusses important statutory and constitutional issues relating to disability discrimination It is designed to help students in Disability Law courses synthesize and apply the materials they are learning It is also designed to function as a compact treatise for practicing lawyers and others looking for an analysis of the Fourteenth Amendment the Americans with Disabilities Act section 504 of the Rehabilitation Act the Individuals with Disabilities Education Act the Fair Housing Act Amendments and other laws as they relate to controversial issues of disability rights The book discusses the leading cases on each of the major topics of disability law and suggests ways of thinking about unresolved questions and debates over legal policy Understanding Disability Law includes detailed coverage of Constitutional law bearing on disability discrimination The controversy over who is a person with a disability for purposes of federal statutes Employment discrimination rights and remedies Educational discrimination including special education law and higher education for students with disabilities Discrimination in public accommodations Discrimination by federal state and local governments and Other topics including disability discrimination related to housing transportation and telecommunications

Understanding Disability Throughout History Hanna Björg Sigurjónsdóttir,James G. Rice,2021-10-27 Understanding Disability Throughout History explores seldom heard voices from the past by studying the hidden lives of disabled people before the concept of disability existed culturally socially and administratively The book focuses on Iceland from the Age of Settlement traditionally considered to have taken place from 874 to 930 until the 1936 Law on Social Security L g um almannatryggingar which is the first time that disabled people were referenced in Iceland as a legal or administrative category Data sources analysed in the project represent a broad range of materials that are not often featured in the study of disability such as bone collections medieval literature and census data from the early modern era archaeological remains historical archives folktales and

legends personal narratives and museum displays The ten chapters include contributions from multidisciplinary team of experts working in the fields of Disability Studies History Archaeology Medieval Icelandic Literature Folklore and Ethnology Anthropology Museum Studies and Archival Sciences along with a collection of post doctoral and graduate students The volume will be of interest to all scholars and students of disability studies history medieval studies ethnology folklore and archaeology

Understanding Disability Policies Robert F. Drake,1999-02-08 This book provides a comprehensive analysis of the development and consequences of disability policies contrasting policies grounded in medical definitions of disability with a social model of disability supported by disability rights campaigners in their pursuit of anti discrimination legislation British policies are set in comparative context and the impacts of policy on disabled people according to their class gender age and ethnicity are explored

Understanding Disability Ranu Uniyal,Fatima Rizvi,2023-11-02 This edited volume brings together contributions on disability studies organized around two themes literary and sociological aspects The contributors include academics disability activists and researchers from within and outside the Indian periphery While the book strengthens the disability discourse and contributes to building academic scholarship on this subject it also promotes disability activism by giving space to both direct practitioners and persons with disabilities The chapters discuss various analytical and literary aspects of the marginalization experienced by the disabled community and bring forth new and elaborate perspectives It draws connections across multiple identities and includes personal narratives across nations cultures and societies It is an excellent research resource on disability studies in India for scholars and students in the area of humanities education law sociology and social work while at the same time also addressing the global context

Understanding Disability Discrimination Law through Geography Fayyaz Vellani,2016-02-24 Examining the UK Disability Discrimination Act DDA in comparison to its counterparts in the USA and Australia this book focuses on how it is being interpreted and acted upon in the context of higher education a key area of national attention in the UK It also evaluates this law in the context of the larger project of civil rights legislation and demonstrates that geography can be used to explain law and legal arguments by highlighting their subjectivity and by emphasizing the importance of place specificity and context While providing in depth analysis of the effectiveness and scope of this significant legislation this book demonstrates the importance of geography in the application of law It provides insights into the broader workings of UK anti discrimination law which are particularly relevant given the scrutiny of the Equality and Human Rights Commission and the concerns about the effectiveness of legal tools in fighting discrimination Finally this book critiques liberal notions of legal subjectivity and medical definitions of disability which is topical given the current attention given to debates about identity politics

What Is the Americans with Disabilities Act? Beth Finke,2022-08 This series explores disability in a comprehensive honest and age appropriate way This book explores the historic landmark legislation of the Americans with Disabilities Act and its implications today Engaging inquiry based sidebars encourage students to LOOK THINK MAKE A GUESS ASK QUESTIONS

and CREATE Books are authored by writers with disabilities and the series has been developed in partnership with Easterseals who is leading the way to full equity inclusion and access through life changing disability and community services Books include table of contents glossary index author biography and sidebars

Understanding and Responding to the Experience of Disability Jill Porter, 2014-08-13 Understanding and Responding to the Experience of Disability informs readers about current understandings of disability and ways of recognizing the needs that arise from the lived experience of impairment in schools While most schools have clear procedures in place with respect to identifying children with special educational needs the same is not true for disability Moreover research suggests that many schools have restricted understanding of this distinction often equating disability to children with SEN and children with health conditions thereby failing to recognize the pivotal role of impact In this insightful text Jill Porter argues that disability needs to be understood within the setting in which it is experienced thereby recognizing that it is not a fixed attributable label but one that is cultural contextual and fluid By providing a theoretical basis for understandings of disability around notions of impairment experience and impact the book combines three key components a conceptual understanding of disability to provide a clear value driven framework for professional responses an empirical illustration of the development of materials to support an understanding of why the process of disability data collection cannot simply be reduced to two questions on a form embedded illustrative case study material to provide exemplars of how the materials can be contextualized and used to make adjustments to enhance the participation of all children

Understanding Disability Policy Alan Roulstone, 2012 In an era of scarce social resources the question of changing social policy constructions and responses to disabled people has become increasingly important This text locates disability policy into broader social policy and welfare policy writings embracing a range of indicators of disabled people s welfare

Understanding Disability Victoria Stopford, 1991 *Understanding Disability Discrimination Law through Geography* Fayyaz Vellani, 2016-02-24 Examining the UK Disability Discrimination Act DDA in comparison to its counterparts in the USA and Australia this book focuses on how it is being interpreted and acted upon in the context of higher education a key area of national attention in the UK It also evaluates this law in the context of the larger project of civil rights legislation and demonstrates that geography can be used to explain law and legal arguments by highlighting their subjectivity and by emphasizing the importance of place specificity and context While providing in depth analysis of the effectiveness and scope of this significant legislation this book demonstrates the importance of geography in the application of law It provides insights into the broader workings of UK anti discrimination law which are particularly relevant given the scrutiny of the Equality and Human Rights Commission and the concerns about the effectiveness of legal tools in fighting discrimination Finally this book critiques liberal notions of legal subjectivity and medical definitions of disability which is topical given the current attention given to debates about identity politics

Understanding Disability , 1993

Female Forms Carol Thomas, 1999-08-16 What is the relevance of feminist ideas for understanding women s

experiences of disability How can the social model of disability be developed theoretically What are the key differences between Disability Studies and medical sociology In answer to these questions this book explores and develops ideas about disability engaging with important debates in disability studies about what disability is and how to theorize it It also examines the interface between disability studies women s studies and medical sociology and offers an accessible review of contemporary debates and theoretical approaches The title *Female Forms* reflects two things about the book first its use of disabled women s experiences as told by themselves to bring a number of themes to life and second the author s belief in the importance of feminist ideas and debates for disability studies The social model of disability is the book s bedrock but the author both challenges and contributes to social modelist thought She advances a materialist feminist perspective on disability producing a book which is of multi disciplinary relevance *Female Forms* will be useful to the growing number of students on Disability Studies courses as well as those interested in women s studies medical sociology and social policy It will also appeal to those studying or working in the health and social care professions such as nursing social work occupational therapy and physiotherapy

The Positive Psychology of Personal Factors Dana S. Dunn, Michael L. Wehmeyer, 2022-01-17 Historically interventions designed to impact the lives of disabled people were predicated upon deficits based models of disability This began to change with the introduction of World Health Organization WHO frameworks particularly the International Classification of Function ICF that emphasized that disability could only be understood in the context of interactions among health environmental factors and personal factors and by examining the impact of such factors on a person s activities and participation The ICF identified personal factors as among the elements of a social ecological model of disability but did not provide an extensive taxonomy of what constitutes such factors *The Positive Psychology of Personal Factors* examines personal factors that come from the field of positive psychology and as such to begin to identify and build strengths based approaches to promoting the full participation dignity and well being of disabled people

Understanding Disability Studies and Performance Studies Bruce Henderson, Noam Ostrander, 2013-09-13 This collection brings together scholarship and creative writing that brings together two of the most innovative fields to emerge from critical and cultural studies in the past few decades Disability studies and performance studies It draws on writings about such media as live performance art photography silent film dance personal narrative and theatre using such diverse perspectives and methods as queer theory gender feminist and masculinity studies dance studies as well as providing first publication of creative writings by award winning poets and playwrights This book was based on a special issue of *Text and Performance Quarterly*

Understanding Disability Policies Robert F. Drake, 1999 Comparing British policies with those of America Australia and Sweden this book provides a comprehensive analysis of the development and consequences of disability policies
